

OASIS ACADEMY RYELANDS DEBT POLICY

Oasis Academy Ryelands has adopted a strict NO DEBT policy relating to Breakfast club.

Breakfast Club

Parents Individual Breakfast Club accounts will either remain in credit or will be paid off within a week of their child attending the session. The accounts should at most only be one week in debt. If the debt does increase the reminders will be sent out. The last resort will be that the child cannot attend Breakfast Club until the debt is paid off or an agreement has been reached with the Executive Principal or Head of School.

If there are issues with payments, parents can request a meeting with either the Executive Principal or the Head of School to discuss these matters. Discretion and confidentiality will be maintained.

We hope that by implementing this Debt Policy we can help parents manage their money better and not get further into debt. We fully appreciate that there is a cost-of-living crisis at present and we would rather support families if there are concerns. To be able to do this we have to be told of the difficulty.
