

Daily home reading with an adult, of at least 10 minutes, is proven to have an impact on children's development and attainment within school.

Week	Home Learning	Maths Focus work	This week's spelling	Parent/student comment	Peer comment	Teacher comment
Week 1 WC 1 st November	English This half term we will be reading and focussing our writing on the book 'The way back home' by Oliver Jeffers. To re-cap on our previous learning, create an illustration that is in the same style of Oliver Jeffers and write a short story about you character. <i>*Remember to include super adjectives and verbs in your writing.</i>	Learn the number bonds within 10. E.g 6 and 4 make 10.	a, of, was, you, me, so			
Week 2 WC 8 th November	Science Draw and label the body parts of a vertebrate animal e.g. a crocodile, an elephant, a monkey, a fish, a shark. To extend your learning, try to write a sentence about what you have drawn i.e. "My elephant is a mammal. It has a trunk and four legs." <i>*Remember to use your sounds independently when writing.</i>	Learn the number bonds within 9. E.g. 4 and 5 make 9.	the, said, is, your, she, by, one			
Week 3 WC 15 th November	Maths How many are left? Counting down from a number and crossing off.	Learn the number bonds within 8	do, says, his, they, we, my, put			
Week 4 WC 22 nd November	English Our new book and writing will be focused on 'Man On The Moon' by Simon Bartram. Write a few sentences about what it would be like to live on the moon. Think about who you would take with you, what you would pack and perhaps how you would get there. <i>*Remember to include fantastic detail in your writing to keep the reader interested.</i>	Learn the number bonds within 7	to, are, has, be, no, here, our			
Week 5 WC 29 th November	History Create a fact file about Nelson Mandela. Include as many facts as you can about why he is a significant person in history. Make it as creative as you can.	Learn the number bonds within 6	today, were, I, he, go, there			
Week 6 WC 6 th December	Maths Recognise and name 3D shapes. Complete the worksheet on 3D shapes where you will label each shape.	Learn the number bonds within 5	Where, once, push, love, ask, pull
