

## Year 1 Newsletter - Spring 2 2022

Dear Parent/Carers,

This half term we will be learning through the theme of 'STEAM'. This topic allows our children to think critically about the world around them and beyond.

### Attendance

Sparrow: 96.5

Starling: 93.6

Target: 97.5%

### As readers and writers:

This half terms books are 'The Storm Whale' and 'The Jolly Postman'. These amazing books will open them up to new vocabulary and forms of writing.

The teaching of reading is continued by daily phonics lessons and guided reading. The children develop at their own level and are encouraged with engaging stories.

Spellings will be sent home weekly and are linked to the 100 High Frequency Words.

### As scientists we are learning:

All about Everyday materials. We are going to grow our curiosity about the world around us. We will be learning about the materials that we see in everyday life and the difference between the object itself and what it is made of.

### As Mathematicians we will be learning about:

$$+ =$$

### Number: Place value within 50

- Children count forwards and backwards within 50. Children build on previous learning of numbers to 20.
- They learn about grouping in 10s and their understanding of 1 ten being equal to 10 ones is reinforced.

### Measurement: Length and height

- Children use and understand the language of length such as long, longer, short, shorter, tall, taller. They recognise this language will change depending on what type of length they are describing and comparing.
- Children understand that height is a type of length. They should also be exposed to lengths that are equal.

### Measurement: Weight and Volume

- Children are introduced to weight and mass for the first time. They may already have some understanding of heavy and light from their own experience of carrying objects.
- Children should begin by holding objects and describing them using vocabulary such as heavy, light, heavier than, lighter than before using the scales to check.

**As theologians...**

In RE this half term, we will be exploring a range of signs and symbols within Christianity and why they are important.

We will gain a better understanding of different symbols belonging to different religions, what they mean and how this makes a difference in others' lives.

**As musicians:**

We will continue to enjoy our Musical Bumps sessions where we are learning all about beat, rhythm, and pitch.

**As historians and geologists:**

We will be learning about fashion through the decade with a link to our Global Goals and thinking about how we can make future fashion more sustainable by reusing fashion from other decades.

**As budding techies...**

We will be learning how to loop and sequence with programming code and use the internet safely.

**As artists and designers:**

We will be exploring Mono printing and reusing old t-shirts to make t-shirt bags.

**As athletes:**

We will be improving our dynamic balance and coordination skills as well as working with our classmates to develop our hand-eye skills when passing and receiving balls.

**STEAM**

**As linguistics:**

We will be continuing to learn Mandarin. Looking at numbers to 10, days of the week and colours.

**As good citizens...**

We will be learning about the important work of Wangari Maathai and looking at rules and why they are important. We will be discussing where money comes from as well as learning about the environment and how we can help it.

**Notices and reminders**

- PE is on MONDAY AND THURSDAY every week for Starlings and TUESDAY AND THURSDAY Sparrows. Please ensure your child has their PE kit in school on the relevant day.
- The homework for this term will be in Homework books. This is to be completed weekly and where relevant recorded in books
- Homework will be given out every Friday and needs to be handed in by the following Wednesday at the latest.
- Please read with your child every day and initial your child's comments.
- Please bring in your child's reading book every day and their reading record book.

Thank you for your support!
