

	Summer 1 Year 1						
Week	Home Learning	This week's spellings	Parent/carer comment	Teacher comment			
<b>Week 1</b> w/b 17 <sup>th</sup> April	<b>English</b> Our new English focus is a book called 'On Sudden Hill' by Linda Sarah. It is all about 2 best friends who play together, on Sudden Hill, every day. They use their cardboard boxes to imagine different worlds – they fight dragons, journey into space and dance on top of skyscrapers. Can you use a cardboard box and create something new out of it? Use an actual box or draw your creation.  <b>Challenge: Have a go at writing a short story about an adventure that you went on with (or in) your new creation.</b>	friend school put push pull full					
<b>Week 2</b> w/b 24 <sup>th</sup> April	<b>History</b> Use your iPad to research and write about an iconic moment in history for women. For example- the first woman to travel to space, England winning the UEFA Women's Euro 2022 or the beginning of International Women's Day,  <b>Challenge: Write about a time when a female member of your family had an iconic moment.</b>	goes around head pulled love wanted					
<b>Week 3</b> W/b 1 <sup>st</sup> May	<b>Art</b> Inspired by artist Alberto Giacometti, can you design and create a sculpture using tinfoil or another material that you have at home?  <b>Challenge: Write about how you made your sculpture, what materials did you use and why? What was the inspiration behind your piece of art?</b>	after jumped better worked house come					
<b>Week 4</b> w/b 8 <sup>th</sup> May	<b>Science</b> Look in your garden/local area. How many garden and wild flowers can you find? Draw the flowers, take photos to add to your homework book or upload them onto the 'homework' folder on Showbie.  <b>Challenge: Can you draw and label the different parts of one of the flowers that you found?</b>	plant petal root stem water leaves					
<b>Week 5</b> w/b 15 <sup>th</sup> May	<b>Maths</b> This half term we are thinking about fractions. Use your iPad to take pictures of some food (fruit, pizza etc.) cut into halves and quarters. Add these photos to your homework book or upload these images onto the 'homework' folder on Showbie.  <b>Challenge: Can you think of your own fractions other than a half or a quarter?</b>	today because some could should people hour					

<p><b>Week 6</b> <b>w/b 22<sup>nd</sup> May</b></p>	<p><b>Geography</b> We are learning all about the United Kingdom, the countries and capitals that are within it and the seas that surround it. We are also beginning to learn about the 4 compass points. Can you complete the worksheet naming the countries, capitals and seas of the United Kingdom.</p> <p><b>Challenge: Can you use the words North, South, East and West to describe where each country is in the United Kingdom. E.g. Scotland is North of England.</b></p>	<p>there behind clothes improve whole water</p>
