

	Spring 2 Year 1			
Week	Home Learning	This week's spellings	Parent/carer comment	Teacher comment
<b>Week 1</b> <b>Set: 23.2.2024.</b> <b>Due: 28.2.2024.</b>	<b>English</b> Our book <i>"The Storm Whale"</i> is all about a boy called Noi who finds a whale. Can you research about different types of whales? How many different species are there? What do they eat? Can you find out some interesting facts about whales? <b>Challenge:</b> <i>Draw and label an image of one of the types of whales that you have researched.</i>	head spread thread bread sweat deaf instead		
<b>Week 2</b> <b>Set: 1.3.2024.</b> <b>Due: 6.3.2024.</b>	<b>Science</b> Find some different objects in your house. What materials are they made of? Write a sentence about one object you have found. what material is it? Try to include some adjectives to describe it. <i>e.g. The water bottle is made of metal. It is hard and shiny.</i> <b>Challenge:</b> <i>Design your own water bottle. What material are you going to use and why? What properties does it have that is going to make it the best water bottle?</i>	herb verb term germ person fern mermaid		
<b>Week 3</b> <b>Set: 8.3.2024.</b> <b>Due: 13.3.2024.</b>	<b>Maths</b> We are looking at measuring. Find some objects around your house and get creative with how you can measure them! For example, how many Lego blocks tall is a water bottle? Take some photos and share them in your homework book or on Showbie. <b>Challenge:</b> <i>Write down your findings using cm.</i>	after better brother summer sister river ever		
<b>Week 4</b> <b>Set: 15.3.2024.</b> <b>Due: 20.3.2024.</b>	<b>Art</b> This half term, our topic for art is "printmaking". Explore printing at home. Can you use different objects to create different prints? For example: Cardboard shapes, fruits and vegetables, hard and soft materials, things found in nature such as leaves and stones. Can you create a piece of art, using printing, of Noi and the storm whale? <b>Challenge:</b> <i>Research a famous artist who used printing to create their masterpieces.</i>	blue glue true tissue clue argue statue		
<b>Week 5</b> <b>Set: 22.3.2024.</b> <b>Due: 27.3.2024.</b>	<b>Geography</b> Create a poster to help people to understand some of the things that we can do to look after our environment. Are there any tips that you can give people to help them? For example: telling them which materials can be recycled, how they can use less plastic etc. <b>Challenge:</b> <i>Can you think of any things that we could do at school to help our environment?</i>	claw paw straw yawn hawk dawn draw
