| **Week 1**<br><br>**Set: 27.02**<br><br>**Due: 04.03** | **English**<br>Our book "*The Storm Whale*" is all about a boy called Noi who finds a whale. Can you research about different types of whales? How many different species are there? What do they eat? Can you find out some interesting facts about whales?<br><br>**Challenge:**<br>*Draw and label an image of one of the types of whales that you have researched.* | Help to set the table and count pairs of cutleries. How many pairs have you counted? How many cutleries does that make? | head<br>spread<br>thread<br>bread<br>sweat<br>deaf<br>instead | | |
| **Week 2**<br><br>**Set: 06.03**<br><br>**Due: 11.03** | **Science**<br>Find some different objects in your house. What materials are they made of? Write a sentence about one object you have found. what material is it? Try to include some adjectives to describe it. E.g. The water bottle is made of metal. It is hard and shiny.<br><br>**Challenge:**<br>*Design your own water bottle. What material are you going to use and why? What properties does it have that is going to make it the best water bottle?* | Compare the ages of all the people who live in your house. Write the numbers from the smallest to the greatest. | herb<br>verb<br>term<br>germ<br>person<br>fern<br>mermaid | | |
| **Week 3**<br><br>**Set: 13.03**<br><br>**Due: 18.03** | **Maths**<br>We are looking at measuring. Find some objects around your house and get creative with how you can measure them! For example, how many Lego blocks tall is a water bottle? Take some photos and share them in your homework book or on Showbie.<br><br>**Challenge:**<br>*Measure the same objects again but this time with a ruler. Write down your findings using cm.* | Play a treasure hunt game – find an object shorter than a pencil and an object taller than you. | after<br>better<br>brother<br>summer<br>sister<br>river<br>ever | | |
| **Week 4**<br><br>**Set: 20.03**<br><br>**Due: 25.03** | **Art**<br>This half term, in art we are exploring "collage". Explore making a collage of Spring by cutting and sticking materials of your choice.<br><br>**Challenge:**<br>*Research Henry Matisse and his art.* | Compare the heights of your family members. Who is the tallest? Who is the shortest? | blue<br>glue<br>true<br>tissue<br>clue<br>argue<br>statue | | |
| **Week 5**<br><br>**Set: 27.03**<br><br>**Due: 15.04** | **Geography**<br>Create a poster to help people to understand some of the things that we can do to look after our environment. Are there any tips that you can give people to help them? For example: telling them which materials can be recycled, how they can use less plastic etc.<br><br>**Challenge:**<br>*Can you think of any things that we could do at school to help our environment?* | Choose 5 objects and compare their weights. Practise using the language of heavier, lighter and the same weight as. | claw<br>paw<br>straw<br>yawn<br>hawk<br>dawn<br>draw | | |
