

A Message From Mr Lillo

Dear Parents and Carers,

This week has seen us having to close 2 Year Group Bubbles due to positive COVID cases in the school.

Cases are on the rise again and we really must keep to social distancing rules and wear masks to protect each other. It is so important that we don't allow ourselves to become complacent if we are to keep case numbers as low as possible in our community.

We ask that you please continue to do the following:

- **Do not** come to the school without a face mask unless you are medically exempt.
- **Do not** cross the Year 1 and Year 2 playgrounds when collecting children from different year groups - please walk around to the next road.
- Continue to socially distance to help stop the spread.
- **Do not** come into the school building. This includes the office when dropping off latecomers.
- Please bring your child to school on time. Lateness not only disrupts lessons, but also means that children are risking crossing bubbles while walking through the school.

If we all do our bit, hopefully we can avoid having to close any more bubbles.

I hope you have a wonderful weekend.

Glenn and the Ryelands Team

EU Settlement Scheme (EUSS)

We have been asked to remind all families about the EU Settlement Scheme. Please see information below from the Home Office.

<https://www.gov.uk/government/publications/eusettlement-scheme-leaflet/eu-settlement-schemeleaflet>

If you are an EU, EEA, or Swiss citizen, you and your family members may be eligible to apply to the Settlement Scheme.

It is crucial that eligible parents apply to the Scheme themselves and check whether they need to do so on behalf of their children. Eligible children are required to have an application in their own right and no child of any age is covered by a parent's application to the EUSS. There's more information on this here on GOV.UK.

To provide additional guidance, a very clear EUSS leaflet has been produced by the University of Liverpool, in partnership with the Home Office. It has been designed with children in mind and is intended to support both children and parents with information to help them apply to the EUSS. A set of accompanying FAQs are available too.

A list of organisations providing additional EUSS guidance and information is available here. Applications to the EUSS are free and can be made online at www.gov.uk/eusettlementscheme, where you can also find out more information about how to apply.

The application deadline is 30th June 2021.

25TH JUNE 2021

This Week's Adventures

Nursery: This week in Nursery, we have been learning about vehicles. We found out there is a huge variety of vehicles that travel on land, in and on water, in the air, and even ones that travel in space! We have thought about how they move and the features they each have (wheels, wings, engines, pedals, rails etc). We thought about why certain vehicles are more appropriate to use in certain situations. We sorted air, land and water vehicles and made our own ones out of boxes and construction resources. We sorted vehicles according to size, we made exciting patterns using paint on tyres, and we mended broken down vehicles in our garage role play area.

Reception: This week in Reception, we have used our green fingers and got stuck into our garden theme. We have really enjoyed planting cress seeds and are now waiting patiently to see when the seeds start to grow. Following on from our Very Hungry Caterpillar Week, we also made caterpillar grape kebabs - they were yummy and juicy. Both classes have used their inquisitive minds to explore some plants that we have in our classroom, using magnifying glasses to look at the plants roots, stems and petals. Watch this space for the new flowers in our outdoor area!

Year 1: This week, we have continued our writing activities based on the book Here We Are. Children made brochures persuading people to go to a planet from the Solar System, designed their own planet and wrote a story about it. In Maths, we have been looking at capacity and volume and we did lots of practical activities measuring different containers. Children were really excited to get their new iPads and we tried to incorporate them in our daily lessons. We had great fun playing ICT games, researching African animals in Science and finding the Chakalaka recipe in DT. In RE, we learnt about friendship; the role-play of the Rainbow Fish story had them performing alongside their friends.

Year 2: This week, Year 2 have shown great enthusiasm and resilience in their learning and we have been very impressed by their work! We have continued to learn about arrays, fact families and the relationships between multiplication and division in Maths. In English, we have interviewed a dog called Claude and learnt about the features of a newspaper. In Science, we have thought about whether things are living, dead or if they have ever lived. In DT, we have cooked up a storm in the kitchen by creating our own Xima (maize porridge) and porridge dishes. GBBO watch out! We have also been practising our PE skills in preparation for next week's Sports Day!

Year 3: Year 3 have had a marvellous week. We have enjoyed using our iPads in various lessons. In Science, we have conducted Science experiments using light and shadows, taking photos and editing the pictures to show where our light source originates from. In Maths, we have been revising word problems. In English, we have continued to enjoy our African traditional tales and explored VIPERS in helping us to understand the stories. In PE, we have also been practising for our Sports Day on Monday.

Year 4: This week, Year 4 have shown tremendous resilience and aspiration when they have been completing their Headstart tests. We are very proud of the maturity and hard work they have displayed throughout the week. As well as this, they have been working on their teamwork skills as they prepare for Sports Day. Both classes have really enjoyed computing this week, where they have created their own sprites and programmed them to dance. Well done Year 4!

Year 5: This week has been a tale of 2 learning experiences in Year 5! The children have adapted brilliantly to home learning and are participating both on the live lessons and within Purple Mash. We bet they are enjoying using their new iPads! Ghost Boys continues as our focus text and within this, the children have investigated the features of non-chronological report writing. Purple Mash grammar activities ensure that we're up-to-date with our learning, alongside Spelling Shed and Maths Shed. This half term's Science is all about investigating and this week it was making slime, much fun was had by all and probably a little bit of mess too! Beethoven's Fifth Symphony blasted through the corridors as our journey into classical music continued, whilst trying to squeeze in some Sports Day practise as well.

Year 6: This week, Year 6 have continued their rehearsals for the end of year production which is coming together wonderfully. It's amazing to see the children showcase their talents and the singing is sounding amazing too – you're in for a treat! In Maths, the children have been consolidating their understanding of ratio. We have continued our coverage of the SRE curriculum and written persuasive articles about The Crow's Nest Hotel in our English lessons. The children also decorated the birdhouses they have constructed. We are looking forward to Sports Day activities in the coming week.

25TH JUNE 2021

Marks And Spencer

Your School Uniform Marks & Spencer will be offering a fantastic 20% off all uniform on the M&S Your School Uniform Website. This will run from 29th June to 3rd August 2021 and all orders over £30 will receive free standard delivery. You are encouraged to place your orders for uniform before the end of July to ensure delivery in time for the school year. Please see below for the hyperlink to the M&S school uniform website.

www.mandsyourschooluniform.com

COVID Regulations Update

As you will know the government postponed the release of measures from 21 June to 19 July. The guidance we have received from the Department for Education is that ALL current safety measures that we are undertaking will need to be maintained until at least then. Clearly the 19th July is only 4 days before the end of the academic year so we will have to wait and see if the last week of term looks different to the next 4. Can I take this opportunity to thank everyone for your patience, cooperation and support in maintaining the measures we have in place.

Assessment Week

This week has been assessment week in school and the children have completed a variety of tests and assessments to help inform their teachers judgement. We are so proud of how hard all of the children have worked – hopefully results will show that the children are bouncing back after the pandemic and beginning to make fabulous progress again!

Come On England!
In support of the football team making it to the next stage of the Euros, children are invited to attend school on Tuesday wearing red and white or their England tops.

Wellbeing Tip

Mindful eating is all about paying attention to the way we eat. Research has shown eating mindfully improves digestion, regulates our appetite, and helps us enjoy our food much more.

1. Start by having a good look at what you're about to eat, notice the textures, shapes and colours, and any smells and sounds.
2. When you take a bite, notice the temperature, the texture and all the different tastes and how they feel in your mouth.
3. Take the time to eat your food, focus on your mouth chewing and your breathing as you go. Aim to chew each bite for at least 20 seconds.

Being mindful when we are eating allows the body to respond effectively to what it's doing. Eating mindfully also helps our brain to recognise when we're full, preventing us from overeating. When you've finished eating become aware of your breathing, try to notice the feelings of fullness and any tastes that linger.

25TH JUNE 2021

Spelling Shed

This week's spelling shed class league table:

- 1st place- Magpie Class
- 2nd place - Owl Class
- 3rd place - Hawk Class

This week's individual spelling shed league table:

- 1st place - Kayden, Magpie
- 2nd place - Arfa, Owl
- 3rd place - Angela, Owl

Maths Shed

This week's Maths shed class league table:

- 1st place - Magpie Class
- 2nd place - Heron Class
- 3rd place - Owl Class

This week's individual Maths shed league table:

- 1st place - Martin, Magpie
- 2nd place - Jayden, Magpie
- 3rd place - Shay, Magpie

Class Attendance This Week

Robin	87.6%	Wren	95.1%
Sparrow	87.2%	Starling	97.5%
Chaffinch	96.5%	Goldfinch	50%
Kingfisher	96.4%	Woodpecker	88.5%
Magpie	97.1%	Owl	97.6%
Heron	87.2%	Raven	97.5%
Eagle	96.8%	Hawk	96.4%
School Weekly	93%	School Year to Date:	96.2%

Stars of the Week

At Oasis Academy Ryelands we are driven by a powerful ethos that CAREs. It aspires to treat everyone inclusively and recognises the importance of a holistic approach to education.

We have been giving out our celebration certificates in line with our school values. The children's and staff certificates have been awarded for demonstrating our values, as seen below:

Values

C - Community. We care for our community and help others whenever we can.

A - Aspiration. When you work hard and believe you can do anything you then have options.

R - Resilience. We never stop trying even when it gets tough.

E - Enjoyment. Developing a love of lifelong learning in our community.

The Circle of Inclusion. (which surrounds the word CARE) - We believe we are one family: we play together and learn together and no one is left out.

Inclusion	Krzystof - Hawk Jeremiah - Magpie
Community	Riley - Heron
Aspiration	Sarah - Eagle Coco - Kingfisher Dinushanth - Raven
Resilience	Millie - Starling Taidyn - Owl Felix - Woodpecker Wole - Sparrow

SPORTS DAY TIMETABLE
