

### A Message From Mr Lillo

Dear Parents and Carers,

Our focus this term is very much around the well-being of our children and staff. We have been reiterating the importance of looking after each other!

As part of our monitoring, the leadership team has conducted learning walks this week. We are hugely impressed with how well the children have settled and the vast range of creative and exciting teaching and learning activities we have seen - the children are engaged and seem very happy.

Our Reception children are settling in very well and have enjoyed staying for lunch this week; these first few weeks in school are very important and I am very grateful to our Reception team for making sure that the children are settled and familiar with school routines and also to parents and carers for doing such a great job of preparing children for their first weeks at school.

Have a wonderful weekend,

Glenn and the Ryelands Team

### Attendance

Attendance has been very good so far this term. Thank you for your help in making sure that your children attend school and arrive on time.

As we no longer have a staggered start to the day, punctuality is vitally important. All school gates will close at 09:00. Children arriving after that time will need to enter via the office and will be signed in as late. Classes undertake important learning first thing in the morning whilst the children are bright and fresh and it can be unsettling for children who arrive late.

If your child is unable to attend school, it is **VITALLY IMPORTANT** that you inform us of this and let us know why, before 9am on the day of absence. Please call us on 020 8656 4165 and use Option 1 to report an absence. The line will go quiet and this is when you should leave your message, giving your child's name, class and a brief reason for absence. If we are not informed of a reason for an absence, it will be recorded as unauthorised.

Should you require leave for your child, please complete a request form, available from the office. Authorised leave will only be granted in exceptional circumstances. We do not have jurisdiction to authorise family holidays or a long weekend in any circumstances.

Please can we also ask you to arrive promptly to collect your child(ren) at the end of the day.

### Start & Finish Times

The school gates open at 8.40am and children must be in class by 8.50am. The gates will be closed at 9:00am and any children arriving after this time will have to go into school via the office.

At the end of the day the gates will open at around 3pm, depending on whether the playground space is being used for learning.

It is really important to a child's feeling of security that they are brought in regularly and that parents arrive and depart promptly once they are settled. Children who arrive late can become distressed and find it hard to settle to their activities. Again, at home time, please collect your child promptly as they can become very anxious if you are late.

### Meet the Teacher Presentations

Each Year Group team has created a curriculum PowerPoint presentation. These have been sent to you via email. Please take some time to access any that apply to your child(ren) so you have the necessary information for the year.

Please send any questions [office@oasisryelands.org](mailto:office@oasisryelands.org) and these will be sent on to the class teacher.

### Morrisons Good To Grow Vouchers

We are now collecting Morrisons Good to Grow vouchers. Please send any that you are able into school.

### Reception Baseline

The government has brought in a new assessment for the start of the Reception year. This baseline assessment will be carried out by your child's teacher, using interactive activities and resources. This will take place during the normal class time and the children probably won't even be aware as it is very low key. Families can find out more in this information leaflet provided by the DfE [https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/1004560/2021\\_Information\\_for\\_parents\\_reception\\_baseline\\_assessment.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1004560/2021_Information_for_parents_reception_baseline_assessment.pdf)

If you have any questions, please don't hesitate to speak to your child's teacher.

## Wellbeing Tip of the Week

Settling back into school

Overcoming Anxiety About Friendship

It's natural at times to feel insecure about our friendships and to sometimes worry that we don't have any friends. The thought of making new friends when we start anything new, like a new school, can feel quite scary too. Being away from our friends for so long made lots of us feel lonely or anxious about how it would be with our friends when we came back. Here are some tips for overcoming our anxiety

- Everyone feels the same anxiety that you do! We are all worried about saying the wrong thing or looking strange. When you realise everyone's busy worrying about themselves, it takes some of the pressure off.
- Try not to overthink everything you said or did. Chances are no one thought anything of it, and these negative thoughts can spiral and make us think things that just aren't true.
- Don't spend all your time checking what other people are doing on social media and comparing yourself. The impression people give over social media is a false reality so it's not worth worrying about.
- Don't change who you are to fit in with others. True friendships are built on people accepting each other for who they really are.

### School Allotment!

**Did you know we have a school allotment?**

The wonderful and green fingered Miss Prosper and other FOR helpers will be there on Fridays at 10am.

We'll be busy digging the ground and doing some autumn planting. If you fancy getting involved we'd love you to. Let us know by emailing or joining the WhatsApp group or turn up on the day. We will meet at the gate at 10am.

**Who are Friends of Ryelands?**

We are a group of parents, grandparents, carers and teachers, who work together for the benefit of the children of Oasis Academy Ryelands. Everybody with a child at Oasis Academy Ryelands automatically becomes a member of FOR so welcome to all our new members this year.

We organise and run fundraising and social activities for the school like fairs, discos and quizzes. The money raised goes back into the school.

To get involved...

join our mailing list by emailing us at [friendsofryelands@gmail.com](mailto:friendsofryelands@gmail.com)

Or joining our WhatsApp group by dropping your name and mobile number for us at the Academy Office.

Or joining Friends of Ryelands on Facebook - <https://www.facebook.com/FORyelands/?fref=ts>

**Climbing mountains for FOR**

Lucy, our treasurer, is raising money in aid of Friends of Ryelands by completing the 3 peaks challenge on 2nd October. Climbing the highest peaks in Scotland, England and Wales in 24 hours or less.

We are doing this as it's been a really tough 18 months for us all including our children.

We have children whose mental wellbeing needs are over and above what our wonderful school can offer.

We are raising money for a much needed wellbeing programme from local professionals.
