

A Message From Mr Lillo

Dear Parents and Carers,

We've finally made it to the end of the Autumn term and what a term it's been! It hasn't been easy with so much illness and uncertainty within the community due to COVID19, but the children have continued to be fantastic and to keep us all smiling.

Firstly, I want to thank the staff for all their hard work this term and for always putting the children first, it is wonderful to be part of such a dedicated team. I would also like to thank the PTA, Class Reps, Inclusion Group and the volunteers for supporting us in everything we do, your support means so much to us and really makes a difference. Finally, the biggest thank you must go to the children who continue to be superstars and to make us proud every day. They are kind, caring and supportive of one another and everyone who comes into school always comments on how wonderful they are.

The last few weeks have been so busy in school and there has been so much going on with learning, parties and performances. The children have had lots of fun in the run up to Christmas.

We are still unsure about what the New Year and January will bring, but we will continue to follow the guidance and to make things as close to normal as possible for the children. If anything changes over Christmas, we will let you know as soon as possible and my fingers are firmly crossed for a return to normality soon. I would like to thank you all for your support during the course of the year and particularly this term. It has again been a year like none of us have experienced before and this doesn't look like changing soon. We will continue to adapt and adjust to the situation and make decisions based on the best interests of our children, staff and families.

A reminder that our first day back at school after the Christmas break is Tuesday 4th January at 08:50am. Have a lovely Christmas.

Glenn and the Ryelands Team

Christmas Performances

Although we haven't been able to host audiences, the Christmas performances have all gone really well. I hope that you will enjoy viewing them with your children and families. You will also be able to share any links with other family members and family who may be abroad who wouldn't normally be able to see the shows and performances. The confidence and performances of the children have been wonderful.

I would like to say a huge thank you to all of the staff who have helped put the Christmas performances together for our children. There is always so much work that goes into these behind the scenes and I'm sure that the children really appreciate all they have done.

Year 3 Swimming

Year 3 will be going swimming from January. We are really excited about this as they've not had the chance to go with school before!

They will be going every day for two weeks, one class at a time, so they will need their swimming kit brought in every day.

The kit requirements are:

BOYS - Shorts which do not cover the knees

GIRLS - a one-piece swimming costume

ALL CHILDREN are required to wear a swimming hat. Goggles are optional.

Woodpecker will be going swimming from Monday 10th January to Friday 21st January.

Kingfisher will go from Monday 24th January to Friday 4th February.

If you are available to help us walk to the leisure centre, please let the class teacher know and join us from 13.45pm.

Safeguarding Update

It is that time of year again where the world is full of festive cheer, socialising and surprises! For most of us and our children, the Christmas period is a joyful experience and the unexpected activities are welcomed with smiles from ear to ear. However, for some of us and our children, this time of year can be a time full of anxiety, sensory overload and uncertainty.

Back to School In January

We continue to encourage members of the community to test regularly with LFT tests to help prevent the spread of COVID-19. Staff are continuing to test on a regular basis. Our testing programme will continue throughout the Christmas break. We would also request that children take an LFT before returning to school in January, although this is totally your choice, it is a way to help keep everyone safe. The new LFT tests only go up your nose. Please remember, if your child displays any of the following symptoms: continuous cough, high temperature or loss/change in taste or smell they must stay at home and get a PCR test (a test that gets sent off to the lab).

If your child tests positive for COVID-19 please let us know by emailing office@oasisryelands.org

Year 1 Space Dome

This week Year 1 enjoyed a visit from the Space Dome. This was to consolidate this half term's learning and recap our focussed writing sessions about the moon. The children have produced incredible pieces of writing and researched great facts using their iPads and, as a result, upon his visit, Mr G was amazed at how much they knew about the moon/space. Both classes were able to relay some super cool facts about being in space and what it would be like to be an astronaut... we discovered how we would wash our hair and it isn't easy.

Enrichment Clubs

Refunds for cancelled clubs are currently being processed.

Next term's club booking will be available the first week back in January.

Remote Learning Devices

I am expecting a full return to school in January as the Government have made it very clear (and rightly so in my opinion) that schools should remain open. Headteachers do not have the jurisdiction to make decisions about school closures and any decisions of this nature are taken on the recommendation of Public Health England. In some cases, it is staff absence that has forced these decisions and whilst this is a hugely challenging situation, we have managed this effectively to this point with minimal disruption to our pupils.

However, we do have to be prepared just in case, so as a precaution I'm asking parents to ensure that all children have iPads at home if needed. Please don't let this worry you, it is just an attempt to be ready; there is no plan for anything other than normal school opening with additional measures moving forward. We just have to be ready at short notice.

Wellbeing Tip of the Week

Christmas, New Year and the holiday period can be a good opportunity to connect with different people. For some of us, it can also be stressful and trigger difficult feelings. Here are a few tips from <https://www.mind.org.uk/> that might help to look after your wellbeing at this time of year:

- Press pause – We can sometimes find ourselves taking on too much or planning lots of social activities, remember if things become too much, you can press pause and give yourself a break at times.
- Get enough sleep: Sleep is vital for our wellbeing: aim for at 7-9 hours each night.
- Full Moon - It's a full moon on Christmas Day, so have a look at that if the sky is clear and take notice of how it looks to you. (It won't happen again for 19 years.)
- Give yourself a present - Make sure you make some time to do something that you really want to do, or buy yourself a small gift as a treat. Think about what you want to get out of the break and set this as a goal to achieve.
- Finally and most importantly, relax, unwind and have some fun!

Attendance

Over a school year, we are due to be open for 190 days which equates to 380 sessions with registration in the morning at 09:00 and after lunch in the afternoon. Attendance is affected if a pupil is not present at school for any whole session including registration.

Attendance Target: 98% Attendance This Week: 92.2% Attendance This Year: 95.4%

Registers are taken up to 10 minutes after the school gates close at 09:00. It is important that the children are at school on time every day to prevent disruption and upset to their day and for the rest of their class.

Pupils Late This Week: 37 pupils

Stars of the Week

We are currently transitioning from ICARE, to the Oasis 9 Habits. This means that children can be nominated for one of the ICARE values, or one of the 9 Habits each week until October half term.
