A Message From Mr Lillo

Dear Parents and Carers,

It is quite hard to believe that we are approaching the half way point of the year. We are now well into the spring term.

It has been a very busy week with our Local Authority Link Inspector, Regional Director and the CEO of Oasis all visiting on different days this week. The children have impressed them all demonstrating how hard they are working as well as the knowledge and skills they have learnt.

We enjoy welcoming you into the school as much as possible and if the COVID rates continue to reduce in the coming weeks, we hope to once again share our rich and varied experiences with you all and let you back into school.

Have a wonderful weekend.

Glenn and the Ryelands Team

PE Kits

Please can you ensure that children bring their PE kit on a Monday and leave it in school until Friday, or that you bring it in at the beginning of a term and take it home at the end. If your child does an after school club it would be beneficial if they brought a separate sports kit to ensure that PE kits are not left at home. If any parent / carer has spare PE kit that they would like to donate, please send this in to the school office. If your child forgets their kit, they will be expected to wear a spare school kit to ensure they participate in the lesson.

Big Garden Bird Watch

The Eco Council would just like to make children aware that this weekend is the Big Garden Birdwatch 2022. If you are keen to help gather data and spend time (just one hour) counting the birds you see in your garden, from your balcony or your local park, then this weekend is the one to do it. Go to [Big Garden Birdwatch | The RSPB](#) to tell the RSPB what you saw and do your bit to help nature. Thank you. Eco Council

E-Safety Parent Workshop

On Monday 7th February we will be running an E-Safety Parent Workshop. This will be to discuss the E-safety school curriculum as well as the new Safer Schools app. If you would like to attend the meeting it will be taking place between 9-9:30am via Teams. We have attached the link to the meeting below. Looking forward to seeing you then.

World Book Day - Thursday 3rd March 2022

We are delighted to say that we can celebrate World Book Day in school this year. This special reading event is celebrating its 25th anniversary this year. The theme this year is "You are a Reader". With this in mind, we would like to invite children to come dressed as a book character and where possible, bring a book with that character in to school to share with their friends. While dressing up is a fun part of World Book Day, that's not why we celebrate it. The main aim of the day is to encourage children to explore different genres and develop a passion for reading. As such, there will be lots of fabulous book-related activities planned for the day for your child to enjoy. Please see the [official World Book Day website](#) for further information.

Online Safety

I wanted to share a real fairy tale book, based on 'Goldilocks' aimed at younger primary pupils to raise awareness of online risk. This Online safety easy reader is great for reading and sharing with children in EYFS and KS1. It is a modern twist on the classic story and offers a fun and accessible way for you to discuss social media related issues with younger children. The book can either be downloaded, to be read together on a device, or printed off. There is also a puzzle page to accompany the story. Goldilocks can be found here [Goldilocks by Jeanne Willis and Tony Ross - Vodafone](#)

School Kindness Project - Year 4

On Thursday, Year 4 took part in a Kindness Workshop run by the charity 52 Lives.

Their Kindness ambassador, Greig, came to the school to deliver an interactive presentation covering:

- What kindness is and the impact it has on ourselves, our classroom, our community and the world.
- The science of kindness, including the changes it triggers in our minds and bodies.
- Case studies from 52 Lives showing the life-changing difference kindness has made to real people around the world.

In the second half of the workshop the children put the theory into action. Greig shared the story of a real child in need of kindness and worked with the children during the session to come up with ways to help that child.

The children enjoyed the workshop and Greig was really impressed with their responses and ideas.

If you would like to find out more about the charity, please visit:

Chinese Dragon Dance Workshop

This Wednesday, as part of the Chinese New Year celebrations, some of our classes attended the Chinese Dragon Dance Workshop to enhance their learning in RE and PE. Alongside professional dancers, the children created an exciting dance performance involving a traditional Chinese dragon, parasols and fans. The other classes are excitedly looking forward to attending their workshop, next Wednesday.

Sporting Events

Girls' Football Week

Next week sees the kick off of Girls' Football Week, which is taking place from Monday 7th to Thursday 10th February. Girls in Years 3 to 6 will have a fun session each morning with a sports coach.

Super 4s Football Tournament House Competition

Friday Super 4s is a House Competition where teams of 4 will compete to earn house points and prizes.

If your child is interested, please sign up through class channels and return your consent slips.

Second Hand Uniform Sale and Tuck Shop

On Friday 11th February, Friends Of Ryelands (FOR) will be holding a second hand uniform sale and tuck shop on the Infant Playground after school.

Parental Education Grown Support (PEGS)

PEGS is an organisation for parents/carers/guardians who may be experiencing Child to Parent Abuse. CPA is more common than we think and can affect families regardless of the age of the child. PEGS services are free and will offer practical help in supporting the adults as well as the child. Please follow the link for the self-referral form on their website and for further information and advice.
