

## 25TH MARCH 2022

### A Message From Mr Lillo

Dear Parents and Carers,

Thank you for your enormous generosity for our collection for Comic Relief and joining in. We enjoyed Red Nose Day and the sea of red clothing, noses and crazy red hair really was wonderful to see in our whole school assembly last Friday.

The weather now seems to be improving and the children are enjoying the outdoor spaces in the school. Please, please, please make sure that your children's uniform is named. You will stand a much better chance of being reunited with it should your child misplace any items of uniform!

I hope that you will be able to make the showcase on Monday. It is so lovely being able to invite you back into school and share your child's work with you. We are planning to provide further opportunities for you to come into school and view your children's work in the Summer Term.

Have a lovely weekend and enjoy the sunshine,

Glenn and the Ryelands Team

### SATs Meetings

Children in Years 2 and 6 will be embarking upon their end of Key Stage assessments, in May. Year 2 have the month of May to complete their assessments, whilst Year 6 have a scheduled week that all schools adhere to nationally. We had a meeting today to share SAT information with parents and carers (with our Year 6 attending as well), to clarify the process and hopefully alleviate any worries.

For those of you who were unable to attend the meeting, the presentations will be emailed out today.

### SEND Locality Lead Visit

This week we had a visit from our SEND Locality Lead Keran Currie. She was very impressed with our school and said what a wonderful job we do despite challenges we face and the impact that Covid has had. She said we have a good range of interventions and we do well at supporting our SEND children.

### Neurodiversity Week

This week has been Neurodiversity Week. It is a worldwide initiative that challenges stereotypes and misconceptions about neurological differences. It is a chance to celebrate differences and empower every individual. The link below has some very good Parent Resources about different neurodiverse conditions <https://www.neurodiversityweek.com/parent-resources>

### Hockey Festival

On Thursday 24th of March, selected students attended Trinity School in partnership with Croydon SSP to host a Year 5/6 Hockey Festival event. 20 schools from the surrounding area attended on the day.

We played round robin group matches against a few schools such as Heavers Farm, Elmwood, and St James the Great. The afternoon sessions saw us face Harris Haling Park and Atwood School.

Well done to all the pupils who took part, especially Laila-Kay on her goal scoring performances. A massive well done to both Riley and Ibrahim for playing their part in goal.

A good job and well-done to Wolfgang, Ibrahim, Riley, Ayuanna, Sarai, Laila-Kay, Ria, Aaliyah, Joao, Nathaniel and thanks to all the parents who supported on the day. Well done everyone!

### Wellbeing Tip of the Week

Giving to others brings a better feeling than receiving. When we give to others it actually triggers our brain, releases endorphins and boosts happiness for us as well as the people we help. It is important to give others gifts of kindness to represent your friendship and what they mean to you. This can help to build friendships and connections with others, or re-uniting broken ones that boost your energy, making you feel complete.

Giving doesn't have to just be something you buy for someone, it could be to give your time to help someone, acts of kindness such as holding the door for somebody, giving them time to listen to them, saying thank you to someone for something they've done for you, asking a friend if they would like to play together, asking a friend how they are and really listen to the answer, offering your seat to somebody on the bus, offering to help your teacher with a job in the classroom.

### Wear A Hat For Cancer Awareness

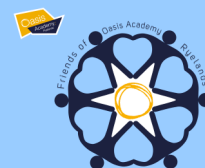

Today, the children and staff wore a hat and donated £1 to raise cancer awareness. The children and adults looked great and some of them amazed us with their creativity. Thank you for your continuous support.

### Friends Of Ryelands (FOR)

There will be a tuck shop and second hand uniform sale in the Infant Playground on the last day of term, Friday 8th April after school.

Come and grab some treats and bargains!

### Special Easter Assembly

On Friday the 8<sup>th</sup> April, we are having a **Special Easter Assembly** at St Luke's Church, where pupils from Reception to Year 6 will take part. There will be lots of singing and an Easter story where some of our Year 5s will be acting.

Our Easter Bonnet Parade will also take place at the church and there will be prizes for the most creative ones. All pupils willing to take part are invited to bring their decorated Easter bonnets/hats into school. Parents and carers are invited to join us for the service at the church and, if possible, accompany us walking there and back from school. We will be leaving school at 9.40 am and be back by 11.00 am. Please, let the class teachers know if you can help out.

### Ramadan

Ramadan is of great significance for all Muslims throughout the world. In 2022 in the UK, Ramadan will begin in the evening of Saturday 2<sup>nd</sup> April and will end on Sunday 1<sup>st</sup> May. We have many families in our school community that celebrate Ramadan. If you and your children would like to know more about this festival please see the websites below. Year 2 have been learning all about Islam in RE this year and the children will be able to give lots of information.
