

## 20TH MAY 2022

### Hot Weather

With the hot weather making a comeback, please can you ensure that children come into school with sun cream applied and with a sun hat.

### Named Clothing

As the weather is warming up, children tend to remove jumpers/cardigans more and then they like to leave them where they were removed! To ensure that these are returned back to the correct owners, can you please ensure that everything is named.

### After School

Once you have collected your child after school, please ensure you are leaving the school premises promptly. Children must not stay and play on the equipment.

### Jubilee Day

We will be celebrating the Queen's Platinum Jubilee on Friday 27th May 2022. Children can donate £1 and wear clothes to school that day that are red, white and blue or with a Union Jack theme, or be a King or Queen for the day! The children will be doing a variety of activities, including a street party style lunch outside (weather permitting). Our kiddos are a part of history with the queen being our monarch for 70 years.

Friends of Ryelands (FOR) will be providing prizes for best dressed in each class. We would also love letters to the Queen that we can send off all together, so get your best pens and paper out and come in with your letter. Write anything that interests you and bring it in on the day **not sealed**. Make sure you put your name and class.

### Test Dates for Summer 2022

Year 1 Phonics Screening Check is starting from Tuesday 7th June 2022.

Year 4 Multiplication Tables Check is starting from Tuesday 7th June 2022.

### Phase Assembly Awards

EYFS & Y1: This week we have loved bringing together our youngest pupils for our EYFS and Year 1 Phase Assembly. It was great to celebrate our Shining Stars from this year. It was lovely to hear how hard children have been working this year and to celebrate their fantastic achievements. Well done to all the children we have awarded as our Shining Stars!

Years 2, 3 & 4: We will be doing our Phase Award Assembly next week.

Years 5 & 6: Upper KS2 celebrated the achievements of this year with a special assembly. Even COVID can't stop us from saying "Well done!"

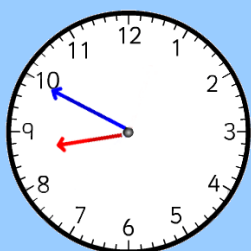

Year 5, after Year 6's photo last week, it's your time to shine!

### Persistent Lateness

Persistent lateness creates a number of avoidable difficulties:

- The learning of all the other children who arrived at school on time is interrupted, as the teacher has to explain what the class are doing to the late child.
- The self-esteem of the child concerned is negatively affected: the child often feels embarrassed because all their peers notice their late entry to classroom.
- The day starts off in a negative way for the child concerned - this can have a significant influence on what follows.
- Additional, unnecessary work is created for busy administrative staff.
- Lateness and/or poor attendance can potentially be an indicator of a safeguarding issue.

### Class Photos

Today, the children had their class photos taken. We will shortly have details on how to order and preview these photographs online. Please look out for this information.

### St Luke's Children's Choir

If your child likes singing and they are interested in being part of St Luke's Children's Choir, please click the link below and complete the questionnaire.

<https://forms.gle/VbVeERKvhaZ6PY6i9>

The rehearsals will be from 11:30-12:30 on Sundays, in St Luke's Church. They will start on the 22nd of May and occur weekly.

### Outdoor Learning Day

Everyone enjoyed Outdoor Learning day on Thursday! We all got outdoors as much as we could on the day and there were a range of activities from reading to maths. We are all planning to use the outdoors much more as the weather improves and the children loved being outside of the four walls of the classroom.

# Trinity Triathlon 2022

The Trinity Triathlon 2022 is taking place on Sunday 26th June.

This event is the 10<sup>th</sup> Trinity Triathlon, and it would be fabulous to have as many of our pupils enter as possible.

CLOSING DATE IS 31<sup>ST</sup> MAY – so please go online and book at your earliest convenience!

Famously - Alex Yee took part in this event as a youngster from the ages of 12-15yrs and recently won gold and silver medals at the Tokyo Olympics less than 10yrs later...

**ANYTHING is possible!**

The poster features a collage of images: a swimmer in the water, a cyclist on a road bike, a runner in a triathlon suit, and a group of children on a podium receiving medals. A large gold medal in the center reads 'TRINITY TRIATHLON Sunday 26th June 2022'. The Trinity School crest is in the top left, and a green circle with 'We're back!' is in the top right.
