

## A Message From Miss Reed

Dear Parents and Carers,

This week, the children have really settled into their new classes and our Reception children have completed their first week of full days.....there have been a few tears but the children are managing really well and having a great time once settled in class.

Around the rest of the school, the children have been working hard and we have all been impressed with their positive attitudes and the kindness that they have shown towards one another—I am so proud of how our children try so hard to embody the Oasis 9 Habits.....keep it up!

Next Friday (20th September) we are inviting everyone to come to school wearing denim for 'Jeans for Genes' Day. We are asking that you donate £1 that will go to the Jeans for Genes campaign which raises awareness of the daily challenges faced by those living with a genetic condition and raises funds to support projects and research. We are trialling using MCAS to make these donations so, please log on and make your donation in the way that you would usually pay for trips etc.....hopefully this will be easier than trying to find a £1 coin, something I never seem to have anymore!

I hope that you all have a good weekend and that the sun shines for us.

Thank you all for your continued support.

Kate and the Ryelands Team

At Oasis Academy Ryelands, we are trying to create a **Children's Musical Orchestra**.

If your child plays an instrument and would like to be part of the orchestra, they are invited to attend auditions on Friday the 20<sup>th</sup> of September, between 12 and 1pm. If they play an instrument other than piano, they are requested to bring in their own instrument and to come with a prepared piece of music that they can perform in front of the panel.

The successful candidates will benefit from free practice sessions with experienced musicians, every Friday, during lunch break. They will also have the opportunity to perform at the events organised by the school and showcase their talents.

Mrs Saftoiu

# Attendance

Over a school year, we are open for 190 days which equates to 380 sessions. This includes soft starts from 8.40am, registration in the morning and again after lunch in the afternoon. Attendance is affected if a pupil is not present at school for any whole session including registration.

## Weekly Attendance Award

Year 1 Sparrow Attendance Penguin 98.9%

Year 5 Heron - Attendance Cup 99.0%

Attendance Target: 97.0% Attendance This Week: 96.2%

Attendance This Year: 95.87%

Pupils Late This Week: 11 pupils

This initiative is part of our Friday Celebration Assembly. Every child who has had 100% attendance for the previous 5 days (Fri-Thurs) has their name entered into a prize draw. We spin the wheel (a child is chosen to do so) and whoever the wheel lands on, **wins a £5 Amazon voucher**. This is NOT cumulative so every week children have a fresh chance at having their names added to the draw.

No Draw this week....the Attendance Wheel should be spinning next week!

## A Parent's Guide to Cyberbullying

**Many young people who are victims of cyberbullying suffer in silence.**

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online.

**It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

## How does Encounter work?

Oasis Encounter is a program that improves the whole family's mental well-being. Through eight online sessions, our trained coaches offer a supportive and safe space for parents and carers to discuss the realities of parenting.

Our cohorts receive supportive tools and techniques that can help strengthen and protect relationships both with themselves and the family as a whole. You will have the support of a team of experienced practitioners and other parents.

**We will walk with you ever step of the way!**
