A Message From Miss Reed

Dear Parents and Carers,

One week to go!!!! This week has been incredibly hot in school but we've largely managed to keep our cool and get lots done.....once children had been reminded that they get grumpy when they're too hot and that they should take off their jumpers and ties!
Sadly, on Thursday after school a number of children were playing on the KS1 playground and went onto a cordoned off area resulting in the newly laid tarmac being damaged before it had a chance to dry. Can I please remind you again that the children should not be playing on the playgrounds after school and that they should also be being supervised by yourselves as parents/carers.

Last night, Year 6 amazed us all with their impressive talents in the end of year production 'The Circus'. We would like to thank Adam and Maddie for their expertise and guidance with the production and all the staff for their incredible hard work in pulling this all together. I am genuinely so proud of all the children. It's rare to have a year group where literally every child fully embraces the drama of the show.....this year group are really very special. You have some truly very talented children and I hope you're feeling as proud of them as I am.

Today, children across the school took part in Tudor Day. We welcomed two actors who put on jousting, dancing, artefact exploration and even an armada! Thank you to everyone who has paid a contribution towards this whole school event.....please do log onto MCAS to pay if you haven't yet done so.

Next week the temperatures should drop a little making it a touch cooler in school. Please do continue to make sure that your child has put on sun cream in the mornings (including on their ears which are prime burn spots) and that they bring a refillable bottle of water to school. It is important that they stay hydrated and protected from the sun. As the year nears its end we have a number of events taking place that parents are invited to. The Reception graduation is on Wednesday morning and the Year 6 Leavers' Picnic and Assembly are on Friday afternoon. If your children are in those year groups, please do try to join us for these special events.

Finally, BookLove will be on the main concourse selling books on Monday and Wednesday afternoon—come along and see what you can buy ready for some summertime reading. Have a great weekend—Kate and the Ryelands Team
