

Nursery newsletter

28.9.20

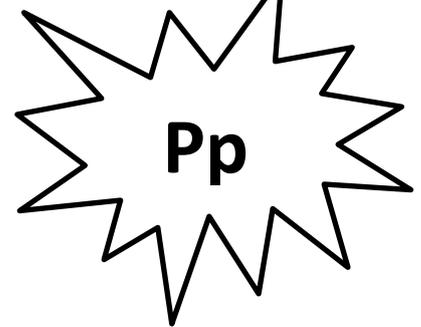

We ask that all nursery children come to school with a navy blue book bag and not back packs. We do not have space to store back packs and they are not practical for storing artwork, letters, books and reading records. On Fridays (starting next week) those who have book bags will be given a reading record and their child will be able to choose a book to take home to share with you.

If you wish to give us spare clothes for your child then please put them in a carrier bag so that we can put it on their peg. Each child should be coming to nursery with their named coat, named water bottle and a named book bag (and a lunch box for the full-time children). Thank you for your help with this 😊

This week we have been looking at what makes a good friend. We have learnt special rhymes and listened to stories to reinforce what being a good friend means. We have thought about how we help our friends and what kind words we can say to them. We have learned how to make-up when we fall out and how to make things fair. Next week's sound/letter is....

Next week's theme is 'Families'.... type, size, members etc you can prepare your child by talking about your own.

This week we started our exciting weekly music sessions with Clare from Musical Bumps!

Things to do at home this weekend.....

Please teach your child to take off their coat making sure their sleeves are not inside out, and to hang it on a peg using the tag at the neck to avoid it falling on the floor. It is really important your child can put on their coat independently as they are going from inside to outside throughout their. Self-care is a very important part of your child's development and independence.
