

# Nursery newsletter

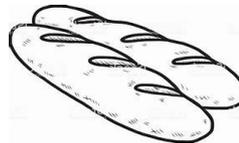

13.11.20

## Notices

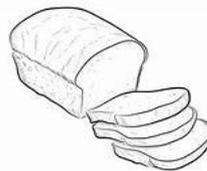

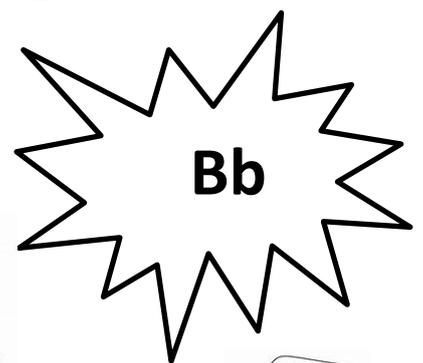

- School photos are being taken on Thursday 19<sup>th</sup> November so please ensure your child has the correct uniform
- We will be making jam sandwiches and currant buns next week so please let us know if your child is allergic to bread, buttery spread, jam or sultanas.  
(Please be assured the children will be making the sandwiches under strict covid-safe hygienic conditions.)
- Next Friday (20<sup>th</sup>) and Monday 23<sup>rd</sup> are inset days for staff training. The school and nursery will not be open for children on these days....enjoy a long weekend!
- Please bring in book bags to change the books on Thursday instead

This week the children have been thinking about Autumn and all the changes that happen at this time of year. We have talked about the colours of trees and landscape, hibernating animals, migrating birds and changes in the things we all do (the food we eat, the clothes we wear and the activities we enjoy). We made leaf rubbings and collages and counted acorns, cones and conkers. We learnt a new Autumn rhyme and sang Autumn songs.

Next week's topic is called 'bread and Butter'. The children will learn about different types of bread, how bread is made and where the ingredients come from. They will learn how to put things in order and to follow instructions as part of the process of making their own sandwich.

Next week's letter/sound is...

## Things to do at home this weekend.....

- Encourage your child to describe the taste of the food they eat with you at home, supporting them with descriptive words to use ... such as delicious, wonderful, tasty, sweet, savoury, horrible, awful etc) This will really help to expand their vocabulary and improve their language and communication skills.
- Play a guessing game where they have to describe something to you and you have to guess what it is, when it's your turn model interesting language for them.
