This week's stars of the week are...

Mark for trying hard to use new words

Dora for being brave and coming into nursery with a smile

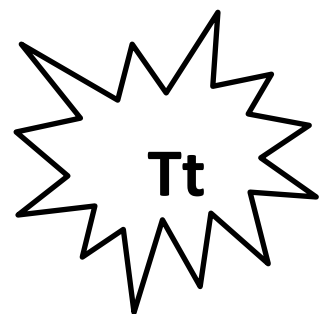

This week We have been looking at our features and thinking about what makes us different and what makes us the same. We looked at ourselves in the mirror and painted self-portraits and made collages of our faces for our display board. We have also been practising our counting and number recognition skills.

Next week's theme is....How do you Feel?

We will be talking about our emotions. We will think about how and why our feelings change, and how to deal with different emotions. We will think about how to be aware of other people's feelings and how we can have empathy for them. We will look at facial expressions and body language for happy, sad, frightened, surprised, grumpy etc.

Next week's letter/sound is...

Things to do at home this weekend.....

Please help your child to recognise their name. Encourage them to learn the first letter and sound of their name, and tracing over it with their finger.

Practice counting and recognising numbers

Have fun practicing pulling faces to show different emotions!
