

Nursery newsletter

01.10.21

- Thank you all so much for donating carrier bags, it is much appreciated
- If you have a clear-out we are always grateful for any toys/dressing up etc We also need 'interesting' shoes for our shoe shop, these can be old children's party shoes/crocs/wellies/flipflops etc and any adult shoes (the children especially love these!) Also handbags, hats, necklaces etc 😊

This week's stars of the week are...

Khaliyah for working hard to always do the right thing and for taking turns

Kaiden for always helping his friends in nursery and thinking of others

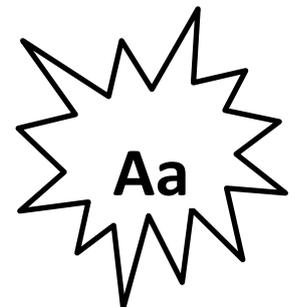

This week we have talking about our emotions. We pulled lots of expressive faces to show different emotions. We thought about the things that bring about different emotions in us, and how we can deal with them. We can now understand our friend's emotions by looking at their expressions and body language and we know how to be sensitive to other people's feelings and deal with our own.

Next week's theme is....Fun with Friends

Next week's theme is all about friendships and having fun with friends. We'll talk about how it makes us feel to have good friends and what we can do for our friends to make them feel special. We will think about why it is kind to share and take turns and how we can work things out fairly if we have a problem with a friend.

Next week's letter/sound is...

Things to do at home this weekend.....

Please encourage your child to count at every opportunity... for example count the stairs as you walk up, count cups or cutlery as you lay the table, count the number of buses you see on the way to school. Help your child to understand that there is a purpose to counting, and that we count to find out how many there are of something, rather than counting by rote/habit.
