

Nursery newsletter

15.10.21

Shayne

Ruben

Stars of the week:

Ruben for working very hard to use new words!

Shayne for always joining in with great enthusiasm!

Next week's Topic: Bread and butter

The children will learn how bread is made, from field to plate. We will also think about all the different types of breads there are, and the different ways we eat bread. We will knead dough to bake currant buns to take home, and we will make our own jam sandwiches to eat in nursery. Letter of the week will be Bb

Notices:

- Thank you to all the parents who attended parents evening this week, it was lovely to see you 😊
- Thank you for bringing in family photos, the children were really proud to tell the class who their family members were
- The school will celebrate Harvest Festival next Thursday and the FT and PM children will be performing our Harvest song for the senior citizens afternoon tea in the hall (although all the children have enjoyed learning and singing our Harvest song!)
- We will be making currant buns and jam sandwiches next week so please let us know if your child has any issues relating to these activities
- Please help your child to practice taking their coat on/off, doing up zips/poppers/buttons etc and putting on their hat/scarf/gloves independently as they move from inside to outside throughout their session

Things to do at home...

Find out about growing wheat and crop farms.

Where does flour come from? How is it made?

Count how many different types of bread your family eat.
