Ayva

Emilia

Stars of the week:

Ayva for always doing the right thing!

Emilia for always learning and playing with great enthusiasm!

Topic First Week back: Fireworks!

We will look at some spectacular firework displays and talk about the colours and shapes we see, and the noises we hear. We will try to recreate some of the noises using instruments or our bodies and we'll learn a new song incorporating them. We will make our own junk model fireworks and draw/paint/chalk our own beautiful displays! In maths we will concentrate on shapes.

We will learn the letter and sound.....

Mm

Notices:

- Tomorrow (Friday) is inset day. The nursery will be closed all day for Oasis staff training
- Next week is half term, we hope you have a lovely break!
- The children sang beautifully for the OAP harvest afternoon tea, we were very proud of them!
- Please bring in as many toilet roll and kitchen towel tubes as you can please
- Over half term please help your child to practice taking their coat on/off, doing up zips/poppers/buttons etc and putting on their hat/scarf/gloves independently as they move from inside to outside throughout their session

Things to do at home...

Help your child to describe shapes and colours and model interesting vocabulary to them to expand their knowledge and enrich their language experience.

Practice name writing with your child paying attention to the letters and sounds in their name, and of course making sure they use a pinch grip.
