Janaya

Stars of the week:

Nye

Janaya for joining in enthusiastically on the carpet!

Nye for listening really well, and giving great answers on the

Next weeks topic: Autumn Antics

We will look at all the changes that take place in Autumn. We will explore what happens to the weather, animals, plants, trees, the food we eat and the activities we do. We will count and weigh conkers, cones, leaves and twigs and use them to make repeating patterns. We will make collages with natural autumnal artefacts and make beautiful leaf prints. We will also make our roleplay area into a hibernation den for our cuddly animals.

The letter will be..

Things to do at home...

Help your child to describe the Autumn changes they see around them when you go for a walk

Ask your child to carefully count, with 1:1 accuracy, the cones, leaves, pebbles they collect

Practice name writing with your child paying attention to the letters and sounds in their name, and of course making sure they use a pincer grip.
