

# Nursery newsletter

3.12.21

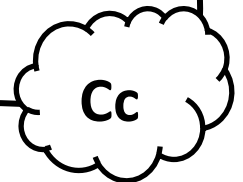

## Stars of the week:

Iris for thoroughly enjoying being a new full-timer!

Dean for trying his very best with singing!

## Next weeks topic: Christmas Craft

The children will be making Christmas themed arts and crafts, and of course they will do lots of practices for their Christmas concert. We will be making a beautiful Christmas hoop to hang in the hall and we will decorate our own classroom. Our role play will be a wrapping station where the children will wrap the boxes from last week's supermarket in Christmas paper and write labels for them.

## Notices:

December 4<sup>th</sup> Christmas Fair 12-4.00pm (to be confirmed)

Unfortunately on the advice of Public Health Croydon we will not longer be able to host the Nursery Christmas concert in school for the adults. Instead, we will be filming it and making it available for you on-line

For the same reason the Panto has also been called off 😞

Friday 10<sup>th</sup> December Wear a Christmas Jumper Day £1 Donation

Please return all items of borrowed clothing to the nursery, we are running really low because parents aren't returning clothes to us. Soon we'll have nothing to change

## Things to do at home....

Encourage your child to write (or mark make) a shopping list for Christmas or a things to do list for the holidays. Discuss it first and encourage your child to come up with ideas while modelling relevant vocabulary to them.
