10.12.21

Gabby

Margot

## Stars of the week:

Gabby for always being polite and saying thank you!

Margot for being brave and using the bathroom

Next weeks topic: All things Christmassy!!

The children will continue with their Christmas crafts, Christmas counting and Writing cards and labels.

## Notices:

We are very proud of the children for trying so hard to remember all the words and actions for the Christmas concert, they did very well! We hope you enjoy watching the video when the link becomes available .... it's very cute!! 😊

The children will have their Christmas party next Thursday, there will be lots of dancing and games, they can wear party clothes, but please make sure they can still use the toilet independently (e.g. trousers do not have difficult fastenings or belts etc).

Please can the children bring in some food/snacks to share with their friends at the party on Thursday.

We are not lending out story books this week because we audit them at the end of each term.

**We are desperate for donations of socks and pants because when we lend them out they are rarely returned to us, and we have now run out of them!**

Just a reminder that the last day of term is next Friday (normal finishing times)
