25.3.22

Xin-yan

Emilia

Stars of the week:

Xin-yan for joining in enthusiastically in Musical Bumps

Emilia for recognising all numerals to 20 out of sequence

Next weeks topic: Mini-beasts

We will learn all about mini-beasts. We will find out how many body parts and legs they have, and we will discover that not all mini-beast are insects. We will look at all the beautiful colours and patterns on bugs and we will investigate why some of them are the same colour as their favourite plants. We will think about how they move and what they like to eat and how they find their food. We will paint many different mini-beasts and go on bug hunts in our outside area.

Next week's
sound is...

Notices...

- On Monday between 3.30 and 4.00pm you are very welcome to come in to nursery to see the setting and your child's work on display
- Thank you all for helping us to raise money for Cancer Awareness Day the children's hats looked fabulous!
- Please send your child in with a sun hat on sunny days, we have NO shade at all in our playground

Things to do at home...

- Go on a mini-beast hunt in your garden or the park. How many different types can you find? Where did you find them? (under stones, on a leaf, in the soil etc.) What do they look like? What colour are they?
- Please encourage your children to talk to you using simple sentences and model full sentences back to them.
- PLEASE practice name writing ESPECIALLY THE CHILDREN GOING UP TO RECEPTION!!
