

Nursery newsletter

8.4.22

Stars of the week:

You are all egg-cellent superstars!!

Topic first week back: Opposites

We will try to understand the concept of opposites. We will think of opposite sizes (tall/short, fat/thin) textures (hard/soft, rough/smooth, feelings (happy/sad, confident/worried) objects (gravel/fur, water/land) etc. and we will think of all the opposites in nature (asleep/awake, day/night, wet/dry, hot/cold, sun/moon, winter/summer, old/young). We will play a game where we all have a picture and we have to find our opposite picture, and also we will discuss 'would you rather...or....? We will also try to use the preposition 'opposite'.

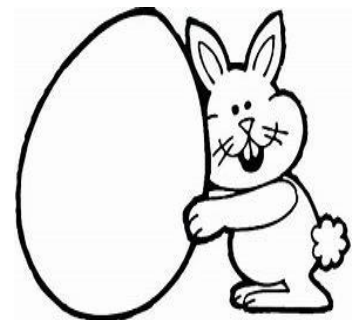

Notices

Next week's
sound is...

Nn

- Over the next few weeks please can you
- collect lots of different sized boxes for
- junk modelling next term
- Remember to help your child to form lower case letters
- Nursery re-opens on Monday 25th April

Things to do at home...

Eat lots of Easter eggs and have lots of fun !!!!
