Stars of the week:

Gabby for making good contributions at carpet time!

Conrad for running into nursery each day with a lovely smile on his face!

Topic after half term: Living eggs

After half term we are very lucky to be hosting 'Living Eggs' in Nursery. These are eggs that we will look after as they incubate and watch them hatch. We then nurture them as they dry off and establish themselves in the Brooder. It is always an incredible experience for the children as they witness new life, and they learn valuable life skills as they care for the chicks. It's always a special and exciting moment in the nursery calendar.
