

# Nursery newsletter

9.9.22

A very warm welcome to our returning children and all our new friends who have just joined Ducklings Nursery!! We are very proud of how well everyone has settled in, made new friends and had fun exploring the resources.

We have learnt the new children's names pretty well, but we are still learning to automatically match them to their grown-ups so please be patient with us!!

## Notices:

- If your child has any allergies it is vital you let us know ASAP, and to bring the paperwork to the office
- Please sign your child up for free milk, so many children are asking to have milk like their friends, but we only have the same number of cartons delivered as have been signed up for. Please use this link to order some for your child, it is completely free <https://www.coolmilk.com>

Next week's theme is....

**Marvellous Me!**

We will look in a mirror and describe how we look. We will try to understand that although we have some features in common, we are all very different, and that that is a good thing!

## Things to do at home this weekend.....

Please help your child to recognise their name. Encourage them to learn the first letter and sound of their name.

Look in a mirror and ask your child to describe what they look like and model good descriptive language for them to use
