## Stars of the week.....

Tabitha for thinking carefully before speaking and saying beautiful sentences!

Huzaifa for returning to school with such enthusiasm and confidence!

### Next week's Topic: People who help us

We will be thinking about all the people who help us in our community. We will talk about the roles of the emergency services and we will recreate an emergency services call centre in our role play area.

We will also think of other people that help us live a happy life such as bin men, lollipop ladies, postmen, dentists, teachers, TA's, plumbers, electricians, mechanics, builders, bus, train, tram and taxi drivers etc We will think how difficult our lives would be without these people providing services for us.
