

Nursery newsletter

21.4.23

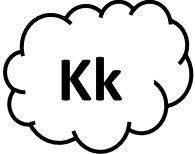

- We hope you all had a lovely Easter break!
- A big welcome to our new children 😊
- We are now collecting this half terms £6 contribution towards cooking, planting, and many top-up fun resources for inside and out! Thank you to all those who have paid already

Topic first week back: Little Life Cycles

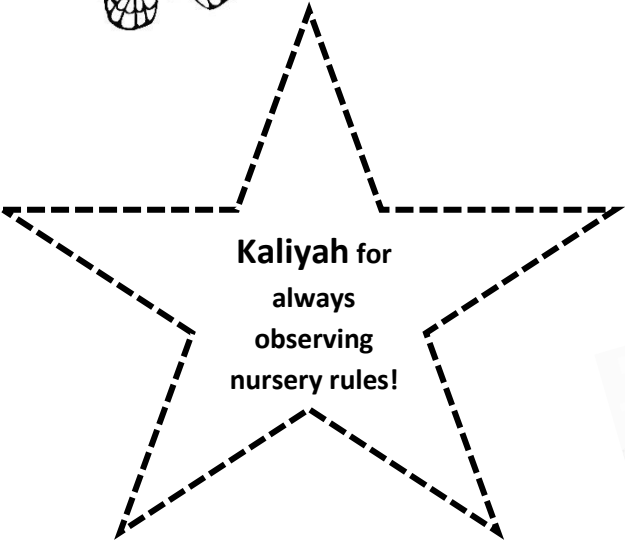

To continue with our theme of growing things we will be learning about the life cycles of butterflies and frogs. The children will find out about the different stages of growth and discover how much these creatures change as they grow.

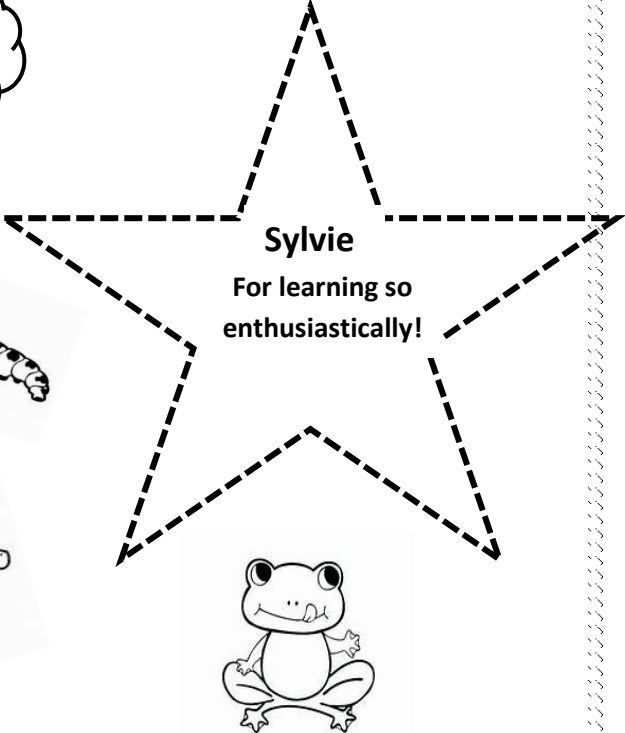

The next letter and sound will be...

Kk

Kaliyah for always observing nursery rules!

Sylvie
For learning so enthusiastically!

Things to do....

- Go on a butterfly and caterpillar hunt, see how many different ones you can see
- Discuss the changes that have happened to our own bodies since we were babies
- We are now trying to sound out simple CVC words eg C-A-T, H-O-T, S-I-T please practice with the children who are going up to reception
- General maths 1:1 counting, and if your child is ready ask them to count 2 groups to find the total to introduce them to addition. Help your child to recognise numerals out of sequence
- Please practice name writing using the tripod pencil grip **ESPECIALLY** the children who are going up
