

Nursery newsletter

Lyla

19.5.23

Martha

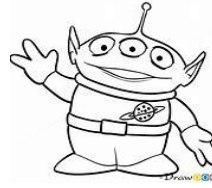

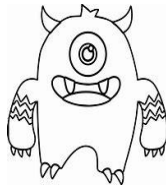

Stars of the week:

Lyla for remembering some of the nursery rules!

Martha for reading very difficult books and counting beyond 70!

Next weeks topic: Aliens

We will think about what an alien might look like, we will make up alien names for each other and try to move like aliens. We will think about what their planet might look like and what we would say to an alien if we met one! We'll make strange looking alien faces and make Alien slimy gloop. We'll even design funny underpants for them because we all know Aliens Love Underpants!

This week's
letter/sound...

Rr

Notices...

- Please can we have more junk modelling boxes, the children are really enjoying making space ships etc
- Please provide your child with a NAMED sun hat as there is no shade in our playground and put sun cream on them before school 😊
- Next Friday we break up for half term

Things to do at home...

- Imagine you are a family of aliens, encourage your child to describe what you all look like
- Make up some alien names together and ask your child to sound out the new name, and point to the corresponding letters on an alphabet chart/screen
- Please practice name writing with correct letter formation
- Practice recognising random numerals with your child
