

Nursery newsletter

22.6.23

Stars of the week:

EVERYONE FOR BEING SPORTS SUPERSTARS!

Next weeks topic: Wind

The nursery children will be learning about wind. We will discover what wind is, and we will think about the different types of winds there are (e.g. breezes, tornadoes, gales, hurricane etc). We will also find out which things need wind to make them move, such as balloons, windsurfers, yachts, flags, hang gliders, washing lines, windmills, gliders, turbines etc. We will have great fun making our own kites and paper aeroplanes fans and flags to wave!

Dates for your diary:

Next week's
letter/sound...
