Next week's Topic: Bread and butter

The children will learn how bread is made and explore it's journey from field to plate. We will also think about all the different types and shapes of breads. We will have a bakers shop in our role play area, and practice 5 currant buns song for the harvest festival. We will knead dough to bake currant buns to take home, and we will make our own jam sandwiches to eat in nursery.

Things to do at home...

Where does flour come from? How is it made?

Count how many different types of bread your family eat.

Visit a bakers shop to look at the produce (we will have a role play bakers shop at school next week)
