

Nursery newsletter

19.4.24

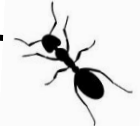

We are all super stars this week for being so kind and friendly to our new nursery friends!

This week's sound is...

Cc

Next week's topic: Mini-beasts. We will look at different types of mini-beasts and compare them. We will find out how many legs and body parts an insect has and why not all mini beasts are insects. We will go on a bug hunt to discover the habitats of different mini-beasts and find out why they are important to the ecosystem.

Notices...

- Please note nursery opens at 8.30am so that the children can receive 3 hours for their morning session. We keep the gates open for ten minutes but then need to lock up at 8.40 so we can take the register and begin the carpet session learning. Thank you for your co-operation with this 😊
- We are now collecting this half term's £6, I hope you agree it goes towards providing some really worthwhile learning experiences for the children, many thanks to those who have contributed this week
- As summer is approaching just a reminder that we do not wear summer dresses in nursery, the summer uniform for the nursery girls and boys is a white polo shirt, navy shorts and toes enclosed sandals
- We are so lucky to have been given the chance to look after two rescue guinea pigs before they go to their permanent home in a few weeks time. The children have had so much fun looking after a pair of rescue guinea pigs them helping to clean out their pen, feed, water and brush them
- The children have helped to plant up some pots for our garden, if anyone has any spare large plant containers/pots, plants or any garden ornaments or equipment they want to off-load we would be very happy to give them a home in our nursery garden!
