

Nursery newsletter

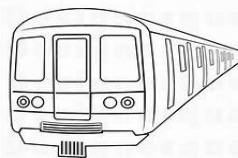

14.6.24

You are all sporting superstars this week!

Next Topic is....

Vehicles. We will examine all the different types of vehicles we can think of. We will think which vehicle is suitable for which journey, and why. How does it move? What powers it? (Wind, motor, pedals, oars) Why don't we come to school in a submarine? Why can't you cycle to America? Can you sail to school? Why can't a car fly?

Next week's
letter/sound

Bb

Notices:

- A big thank you to everyone who has contributed £6 it makes such a difference to your child's learning experience.
- It was wonderful to see so many parents come to cheer the children on at Sports Day, we are very proud of our little athletes!
- Next Friday is Inset Day and the whole school will be closed for staff training (books will be changed on Thursday)
- On Monday we will be selling individual pictures of each child holding a chick. You can order as many photos as you like for relatives etc. £1 each (approx. size A5 laminated.)
- On Tuesday the children will be having an Indian dance workshop AM & PM
- FYI the photos of your child on their SeeSaw account will be deleted at the end of this school year so please copy any images you want to keep as a record of their year in nursery 😊

Things to do at home...

- How many different vehicles can you think of?
- On your way to the park/school/shops etc. count the number of blue cars, white vans, motorbikes, aeroplanes, bikes you see.
- Older children practice one more and one less while counting objects & what is the number before/after this number?
- Children going into reception sound out CVC words (e.g. car, van, bus etc.)
