

Nursery newsletter

19.9.24

- I have put your child's SeeSaw QR code and instructions in your bookbag so you and your family members can access the pictures that we post. Most of our time is spent interacting with the children but we aim to post at least one picture per week of each child
- The application process for reception places at all Croydon schools has now opened. Please remember that even though you attend our nursery or have siblings in our school you **MUST** still formally apply for a place via www.croydon.gov.uk/admissions The closing date is 15th January and there is a list our reception class open days on the website.
- Some parents are concerned that their children are not eating enough at lunchtime. This is a new experience for most of the children and it takes them a while to learn that they need to eat within their half hour slot. They have two dedicated lunchtime supervisors who are constantly encouraging them and helping them with their lunch boxes. Please don't worry the children soon learn that if they don't eat, they will feel hungry, it's all part of the learning process! Also, they have access to milk, water and fruit all day in the nursery 😊

Next week's theme is....How do you Feel?

We will be talking about our emotions. We will think about how we feel at particular times of the day, or in different situations, and how to deal with the emotions we feel. We will think about how important it is to be aware of other people's feelings and how we can have empathy for them. We will look at facial expressions and body language that help us to express our emotions and to read the emotions of others. We will consider happy, excited, proud, surprised, sad, frightened, grumpy, lonely etc.

Things to do at home this weekend.....

Play a game of acting motions and making faces , let your child guess the emotion then let them act out emotions for you to guess.

Talk about the effect it has on others when you are being kind/sharing/smiling etc. or snatching/pushing/scowling etc. makes other people feel, and how it makes you feel.
