

Nursery newsletter

8.11.24

We are looking forward to our new permanent TA, Mrs Henry, joining the nursery team on Monday 😊

Please remember to put hats & mittens in the hat box so that they are available for your child to put on when they go outside

DATES:

- 13th & 14th November parent's evening (if you haven't managed to get a slot then we can arrange for a catch-up at drop-off or collection time)
- 15th November Children In Need, wear spots £1 for charity
- 19th November individual photographs
- Thursday 5th December Nursery Xmas concert @ 10.30am
PM children to come in at 10.00 and all parents invited to come in to watch at 10.30. The concert takes place in the nursery with standing room only
- Friday 6th December Friends of Ryelands Christmas Fair after school
- 12th December Christmas jumper Day
- Friday 13th Nursery Stories by Candlelight @4.45-5.30pm (Children come back into nursery in dressed in pyjamas with their favourite teddy and a bed-time drink. The nursery is decked out with twinkling lights and battery candles and the children listen to Christmas stories and eat cookies!
- 18th Fred the Elf visiting @10am (PM children invited to join for the hour)
- 19th Christmas party

Next week's Topic: Nocturnal animals

We will learn about owls, bats, badgers, foxes etc and their nocturnal lifestyle. We'll discover why they sleep during the day and come out at night, and learn about their young, habitat, features, hunting, food etc. We will also think about the difference between night and day.

Things to do at home...

Research owls and other nocturnal animals with your child on the internet/books, discuss the information you find out and find a act to share at carpet time.

If your child struggles with their tripod pencil grip get them to pick up individual grains of uncooked rice/lentils etc. this will strengthen their pincher finger muscles and co-ordination skills.
