Kamsi

Lowri

Stars of the week:

Kamsi for answering questions on the carpet 😊

Lowri for coming into school so nicely 😊

Next weeks topic: Making Music

The children will try to identify different instrument sounds, and talk about what they liked/disliked about them. We will explore timbre, sequence, pattern, rhythm, volume, etc. We'll make our own percussion instruments and play in our class band! We will have fun making up body percussion sound sequences for our friends to copy.

Notices:

-Please bring **EMPTY CONTAINERS** (as many as you can) for children to make shakers with e.g. yoghurt pots, small boxes, tubs etc

-Friday 6th December **CHRISTMAS JUMPER DAY** and FoR Christmas Fair after school

-Thursday 5th December NURSERY CHRISTMAS CONCERT @ 10.30am PM

children invited to come in at 10.00 to prepare for the performance and parents are invited to come in to watch at 10.30. The concert takes place in the nursery with standing room only

-Friday 13th Christmas Stories by Candlelight @4.45-5.30pm (Children come back

into nursery WITHOUT PARENTS dressed in pyjamas with their favourite teddy and a bed-time drink. The nursery is decked out with twinkling lights and battery candles and the children listen to Christmas stories and eat cookies. Please collect them at 5.30 promptly as nursery staff are giving up their own time to do this! 😊

Things to do at home...

Make up a short sequence of sounds for your child to memorise and copy (e.g. stamp feet twice, clap hands three times, bang a tin with a spoon, blow two raspberries etc) Now ask your child to make up a sequence for you to follow

This develops the all-important listening skills, concentration, and recall.
