

# Nursery newsletter

14.3.25

Isabel

Miles

## Stars of the week:

Isabel for joining in with songs and actions on the carpet!

Miles for enjoying role play and acting in character!

## Next weeks topic: Pets

We will decide which animals make good pets, and which would be unsuitable. We will discover what pets need for a happy and healthy life, what makes them happy and we will think about how having a cuddle with a pet makes us feel.

Notices...

Next week's sound is....

- It was lovely to catch up with so many Parents at parents evening your children have made so much progress and you have all been so supportive 😊
- (please note the children returning to nursery in September will have their first parents evening in Autumn, however you can speak to nursery staff in person or on the phone at any time if you have any concerns, and of course we will always feed back to you if we need to)
- Friday 15<sup>th</sup> March Red Nose Day wear red or spots, £1 for Red Nose Day
- We break up for Easter on Thursday 4<sup>th</sup> April for two weeks returning on Tuesday 22<sup>nd</sup> April

## Things to do at home

- Look at dinosaur pictures with your child, find out the names, ask your child to describe how they look, modelling descriptive vocabulary (enormous, scales, armour, fierce, herbivore, carnivore, fossil, extinct, claws etc)
- If your child is finding it hard to grip a pencil properly give them tasks that strengthen their finger muscles such as picking up grains of rice, lentils etc or any small objects that involve the same pincer movement
