Miah

Stars of the week:

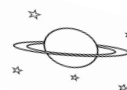

Martha for using her big voice to answer lots of questions on the carpet

Miah for being cheerful and always having a beautiful smile 😊

Next weeks topic: Aliens

We will try to understand what space is, where it is, and how big it is! We will talk about the atmosphere, the planets and space travel. We will think what it might be like to be an astronaut and to fly in a rocket and work on a space station. We will create a space station in our role play area and use our imaginations as we fly into space! We will make rockets, satellites etc. out of junk modelling!

Notices & dates for your diary...

- Please can you bring in smallish boxes and containers for junk modelling for spaceships and rockets for next week
- Next Friday everyone to wear **GREEN** £1 for children's mental health charity

Throughout June & July there will be a series of stay and play sessions for the children going up to our reception classes, you will be informed of dates & times later

Friday 23rd May break up for HALF TERM

Friday 13th June **SPORTS DAY** (10.00 am) for all nursery children apart from this term's new intake

Friday 27th June INSET DAY (whole school closed for staff training)

Friday 4th July **PARENT PICNIC** 11.30-12.30 am, parents/carers come in to share a packed lunch with their child regardless which session they attend. This is a chance for all the parents and all the children to spend a fun time together 😊
