

# Nursery newsletter

14.11.25

Milla

Milla for becoming much more talkative and confident

Vera

Vera for being so kind to all her nursery friends

## Notices

- Please remember to put **NAMED** hats & mittens (NOT gloves) in the hat box rather than in book bags so that they are available for your child to put on when they go outside (we bring the box inside so they don't get cold!)
- **18<sup>th</sup> November individual school photographs**
- Friday 21<sup>st</sup> to raise money for the victims of the hurricane in Jamaica children wear colours of the Jamaican flag **£1**
- **Wednesday 10<sup>th</sup> December Nursery Christmas concert @ 10.30am**  
**PM children to come in at 10.00** and **all** parents invited to come in to watch at 10.30am. The concert takes place in the nursery with standing room only
- **16<sup>th</sup> December children's entertainer Fred the Elf visiting @1.30 (AM children invited to join in the fun for the hour)**
- **Wednesday 17<sup>th</sup> December Nursery Stories by Candlelight @4.30-5.15pm**

### Next week's Topic: Nocturnal animals

We will learn about owls, bats, badgers, foxes etc and their nocturnal lifestyle. We'll discover why they sleep during the day and come out at night, and learn about their young, habitat, features, hunting, food etc. We will also think about the difference between night and day.

### Things to do at home...

Research owls and other nocturnal animals with your child on the internet/books, discuss the information you find out and find a act to share at carpet time.

If your child struggles with their tripod pencil grip get them to pick up individual grains of uncooked rice/lentils etc. this will strengthen their pincher finger muscles and co-ordination skills.
