Vera

Saphira

Stars of the week:

Vera and Saphira for being superstars at every rehearsal. They sing, do the actions and listen to instructions all the way through every time!

Next weeks topic: Christmas craft

We will be making Christmas crafts and of course rehearsing and performing our show!

Please continue to upload pictures of your Christmas tree, when we have a good number of pics we'll have a carpet session with the children sharing their picture on the big screen with their friends 😊

-Wednesday 10th December NURSERY CHRISTMAS CONCERT @ 10.30am PM

children invited to come in at 10.00 **in uniform** to prepare for the performance, and parents are invited to come in to watch at 10.30. The concert takes place in the nursery with standing room only and AM parents can take their child home straight from the performance if they wish

Thursday 11th December CHRISTMAS JUMPER DAY

-Friday 13th Christmas Stories by Candlelight @4.30-5.15pm The children come

back into nursery **WITHOUT PARENTS!** dressed in pyjamas with their favourite teddy and a bed-time drink. The nursery is decked out with twinkling lights and battery candles and the children listen to Christmas stories and eat cookies.

Please collect them at 5.15 promptly as nursery staff are giving up their own time to do this! 😊

-Tuesday 16th Fred the Elf is visiting @1.30-2.30pm (AM children invited to join for the hour, please drop off 10 minutes before and collect promptly at 2.30pm)

Things to do at home...

Make up a short sequence of sounds for your child to memorise and copy (e.g. stamp feet twice, clap hands three times, bang a tin with a spoon, blow two raspberries etc) Now ask your child to make up a sequence for you to follow

This develops important listening skills, concentration, and recall.
