Newsletter

26.6.26

Hope you have all managed to keep cool this week and that you have enjoyed doing fun things together!

Next week's topic will be Wind again as we weren't able to do it this week. We will also start practicing for the Pirate Assembly (new date 9th July). Next week's letter and sound is L

Please note we have no outside shade in nursery

- Please make sure your children have sunhats and that they are placed in the green hat box on arrival (not in bookbags please)
- Please either put suncream on your child before school or provide them with a named roll-on suncream applicator so they can put it on themselves (we are not allowed to apply suncream for them) 😊

FYI:

The dance event on Tuesday will take place in the MUGA just after 9am and Early Years will be dancing first. Most of nursery will leave shortly after to return to class in time for Musical Bumps at 9.30, but you are very welcome to stay to watch all the year groups perform.
