### **Communication, Language and Literacy, Personal, Social and Emotional Development and Physical Development, Literacy, Maths, Understanding the World, Expressive Arts and Design**

In Reception this week, we have been talking thinking about the season of Autumn. We have introduced this two-week topic by looking at a little seed and using our imagination to think about what it may grow into. We had some excellent suggestions, including a sunflower and a pumpkin. On Tuesday, a magic spell was cast, and our seed grew into a ginormous pumpkin, much to the children's delight. We discussed winter vegetables and how they grow. The children have had a lot of fun this week exploring our topic which included making imaginary vegetable soup. On Thursday we learnt about Remembrance Day and took part in the two-minute silence. The children enjoyed being creative and making their own poppy. Which we look forward to displaying on our class display next week.

In Monster Phonics this week the children have been learning the sounds "j", "v", "w" and "x". This has included how to say the sound, write the sound and thinking of words that begin with that sound. During Monster Phonics we model blending CVC words using dots and dashes, this encourages the children to hear each individual sound and see how letters blend into words. Some of the words we have been reading this week include, will, win, van, fox, cobweb.

In Write Away, we have continued with our daily letter formation, focusing on this week's letters. We have also extended our Write Away session linking them to our topic. This week the children have been encouraged to write sentences and words linked to Autumn and growing. We are very impressed with the care the children are taking to present their work neatly, forming their letters correctly and listening carefully to include the sounds in each word.

This week, our Maths carpet sessions were focused on positional language. The children have enjoyed using the stuffed cuddly toys at school to describe their position. They have been encouraged to use this weeks Key Vocabulary: in front, behind, front, back, beside, next to, between.

### Weekend Activities

Play the positions game with your family. Take a toy or object and get everyone to describe its position in your house. E.g. Teddy is inside the toy box. The car is under the chair.
