

# Oasis Academy Ryelands Reception Class Weekly Newsletter

04/04/2022 to 08/04/2022

## Important Information/Reminders

- We return to school on the 25<sup>th</sup> April 8.50am.
- Monday 2<sup>nd</sup> April Bank Holiday

## Stars Of the Week

This week we are making all the children in Reception Star of the week for all of their fantastic learning this half term! We are so proud of the progress the children have made this half term and how hard the children are working in Reading and Writing sessions!

Well done to all.

## Communication, Language and Literacy, Personal, Social and Emotional Development and Physical Development, Literacy, Maths, Understanding the World, Expressive Arts and Design

This week has been very busy. Our theme has been Easter and the children have taken part in some very exciting activities.

During learning labs the children selected tools and materials to create their own Easter hat. Each class took part in an Easter egg hunt outdoors. The children loved this activity and worked hard with their partner to find as many eggs as possible. The children enjoyed making Easter cards using their sounds to write some common words like mum,

dad, love and happy. On Friday we enjoyed singing our favourite Easter songs at St Luke's Church, thank you to all the adults that attended and supported us with walking to and from. We also learnt about the Easter story and why it is a very important one to Christians.

During maths this week we have recapped some of the learning from this half term. We have practised counting back from 20 to 0 and sharing objects into equal groups, we also recapped naming and describing 2D and 3D shapes. The children have worked very hard to take part in whole class maths this half term.

## Easter holidays homework.

Next half term one of our topics is going to be Journeys. We would like you to go on a fun journey and write all about it. Tell us where you went, how you got there and what you saw.

# Journeys

This half term we have learnt many sounds using Monster Phonics. Can you recap these sounds at home and teach your adults all about the Monsters that make these sounds.
