### Stars of the Week

Robin's Star of the Week is **Tayah** for being **Joyful**. Tayah is an enthusiastic learner, who has impressed the adults with her hard work in Phonics and Write Away. **Well done, Tayah!**

Wren's Star of the Week is **Rufus** for being **Hopeful**. Rufus has impressed us with his very hard work in all learning areas and with his fantastic answers during carpet times.

**Well done, Rufus!**

### Communication, Language and Literacy, Personal, Social and Emotional Development and Physical Development, Literacy, Maths, Understanding the World, Expressive Arts and Design

## **The Queen's Platinum Jubilee 70 Years on the Throne.**

### **A Mother, a grandmother and a great grandmother born a Princess, Elizabeth became queen at 25 years old.**

This week the children have loved learning about Her Majesty the Queen. These are just some of the interesting facts we learnt about her.

The children enjoyed several creative tasks this week, making crowns, flags, jubilee medals and baking crown cookies. On Friday the children enjoyed a whole school outdoor lunch, celebrating this wonderful occasion with the rest of the school community.

There are many lovely events taking place over the half term break and we hope with your families you can take part in these and celebrate this historic occasion.

In Phonics, both groups are now recapping the sounds they have learnt this year. The children have been writing sentences by dictation, reading stories and playing interactive games. It is very important that the children now read every day at home and also practice writing using the sounds they have learnt.

### Weekend Activities:

For your weekend activity, write a letter to the Queen after the Jubilee next week and tell her about what wonderful things you got up to. Bring your letter to school to share with your peers.

**Please log in to read the stories on Monster Phonics site.**

Recap the sounds you have learnt so far using this link:
