Well done, Nikola!

Wren’s Star of the Week is **Cairo** for being **Joyful**. Cairo has been enjoying the outdoor activities very much, this week. He has kept focused when playing and exploring the environment.

Well done, Cairo!

Communication, Language and Literacy, Personal, Social and Emotional Development and Physical Development, Literacy, Maths, Understanding the World, Expressive Arts and Design

This week, the reception children enjoyed a great variety of indoor and outdoor fun activities. The topic was “Our interests” and the children talked about themselves, their hobbies and aspirations. They loved seeing their new teachers around the school and they spoke excitedly about what their expectations for the new school year are.

In Phonics, we have played phonics games and we have also looked closely at phonics reading books, encouraging all abilities to read with confidence and discuss what they have read.

We are so proud of how well the children are doing in Phonics and we know they are going to impress their new Year 1 teachers in September.

Weekend Activities:

Talk to your adults about the things that you have learnt this year, in Reception and about what your hopes for Year 1 are.
