

Oasis Academy Ryelands Reception Class Weekly

Newsletter

19/9/2022 to 23/9/2022

Notes and reminders:

Thank you so much for being patient at drop off and collection time. The children have impressed everyone with how well they have settled.

- A reminder that the school day starts at 8.50am and ends at 3.20pm.
- The children can leave their bookbags in the box, packed lunch boxes in the designated space and coats on their pegs. The children now have their own named tray where they can store their jumpers/cardigans and other bits and bobs.
- **PE kits** can be kept in the PE boxes in the infant hall, PE sessions take place on a Friday morning, so we kindly ask that all PE kits are in school to ensure all children are able to change. Please label the children's clothing/ coats and shoes. **If items get mixed up and you end up with somebody else's belongings, please bring them back to school the next day so we can return them.**
- We are a NUT FREE school, so we kindly ask that lunch boxes do not contain any food containing nuts e.g. Nutella/ peanut butter. We ask that bottles contain water only as in early years oral health is a key development point for the children and we will be promoting good oral health throughout the year.
- **Books** will be changed every Friday and we ask parents to write on children's Boomhub reading log during the week. This can be a comment the child made whilst reading the book or a comment from you about the child's experience.
- **Seesaw**- earlier this week we emailed and printed a Seesaw parent permission letter, please ensure these are returned ASAP to allow us to get your child's learning journal up and running. If you have any questions please come and see Mrs Carew.

9 Habits Star of the Week

Compassionate, Self-Controlled, Joyful, Forgiving, Patient, Humble, Honest, Considerate and Hopeful.

This week's Star of the week in Robin Class is **Luca** for being patient. Luca is Type One Diabetic, this means the adults regularly check in with him and each day Luca has to have an insulin injection before lunch. Luca is always very brave and never stops smiling even when he is not feeling his best. We are very proud of Luca for starting school and for being so resilient each day.

This week's Star of the Week in Wren Class is **Theadora** for being Hopeful. Dora impressed everyone in Wren class with her love for learning and engagement in activities. She has settled in beautifully and is a real role model to her peers.

Communication and Language, Personal, Social and Emotional Development and Physical Development, Literacy, Maths.

This week we have continued our theme and have focused on what makes us special. The children have loved talking about themselves! We have introduced carpet spaces and talk partners, the children are settled into this routine during carpet time and impress the adults everyday when sharing their ideas with a friend. We have learnt about one another's families and hobbies. Many children shared their love for dancing and playing games. On Thursday the children enjoyed their first Musical Bumps session with the lovely Clare. The children enjoyed learning a couple of songs, a hello and goodbye song as well as a name song. We can't wait to see what else Clare will teach us this year.

On Friday, we enjoyed our second PE session. We are focusing on gross motor movements and special awareness in lessons this half term. The children continue to develop their independence in getting changed by themselves and learning the order to do this in, e.g. keep your pants on and shoes last! As we come to the end of our third week, we reflect on how settled the children are in class. We are very proud of how well the children come into school every morning and how well they follow the daily routine. We would also like to thank you all for your ongoing support as we get the year up and running. Have a

great weekend!

Home learning.

Next week our topic is 'houses and homes', for your homework we would like you to take a walk around your local area and take pictures of the houses you like. Even better if you can take a picture of a front door, showing the number. Next week we are going to be having some maths fun exploring house and door numbers. The more you find the more fun we can have.

Do not feel you need to print your pictures, you are welcome to, but if you do not have access to a printer, please email them to office@oasisryelands.org with the subject Wren or Robin homework.

Toddlers Together

Wednesdays

9.30-11am

Oasis Academy Ryelands
