

Oasis Academy Ryelands Reception Class Weekly

Newsletter

17/10/2022 to 21/10/2022

Notes and reminders:

Wow! Can you believe a whole half term has gone by! It has been a fantastic half term and we are so impressed with how well the children have settled into Reception. We hope you all have a fun and safe week off. We will see you back at school on Monday 31st October.

- **Books** will be changed every Friday and we ask parents to write on children's Boomhub reading log during the week. This can be a comment the child made whilst reading the book or a comment from you about the child's experience.
- Next half term we will be holding **Parents Evening**, please ensure you book your slot to see either Mrs Carew or Mrs Saftoiu. Please book via the My Child At School (MCAS) app.
- **Owl display**- next half term we will be visited by the wonderful Flying Owls. Please see sperate letter on how to pay for your child's space.

Harvest Festival

Thank you to the parents who walked to the church with us on Friday and to all the families who donated items for the Harvest parcels.

9 Habits Star of the Week

Compassionate, Self-Controlled, Joyful, Forgiving, Patient, Humble, Honest, Considerate and Hopeful.

This week's Star of the week in Robin Class is **Nye** for being **patient**. Nye has a fantastic attitude to learning and focuses his attention during activities he enjoys, completing excellent pieces of work. We are really proud of you Nye, Well Done!

This week's Star of the Week in Wren Class is **Benicio** for being Joyful. Beni has a great enthusiasm for learning. He loves taking part in class discussions and sharing his wonderful ideas in lessons. Beni is a real role model to his peers. Well done, Beni!

Communication and Language, Personal, Social and Emotional Development and Physical Development, Literacy, Maths.

This week's topic was Feelings. The children listened to the story "The Colour Monster", discussed how the monster was feeling throughout the story and learned how to group the feelings into the different colours. At the beginning of the week, we have started a Colour Monster check in. The children were encouraged to express their feelings, explain why they were feeling that way and find a way to return to the "green", relaxed state. In Write Away, they created their own feelings booklet, each day completing activities related to a different colour monster. The children experimented obtaining new colours by mixing primary colours. In Maths, they continued exploring the numbers 1, 2 and 3 through various interactive games and practical activities.

We are, now teaching daily phonics. At Ryelands, we follow the BookWings Phonics scheme where phonics is embedded through real books and the new sounds are introduced through story telling. This week the Phonics Fairy, introduced the children to the sounds: **ck, e, u and r.**

High Flying Words:	no	the	I
<p>These are words we can not sound out. We just have to learn them. Practice reading and writing these words. Can you find them in this weeks story book?</p>			

Home learning.

Have some fun segmenting the sounds in these CVC words. Speak like a robot to identify each sound and speak normally to blend them into a word- p.o.t pot. Remember to use your pure sounds when doing this. If you need help with this the Monster Phonics Pure Sounds video on YouTube shows great examples of what pure sounds are.

pot beg net
 dip gig dad
 sat at an
 nap pan pit
 cat kit sack
 hat bin hen
