This week's topic was Heritage and Diwali. The children talked about the things that they do to celebrate Halloween and observed how it is celebrated around the world. They learnt about Diwali, listened to the story of Rama and Sita and used clay to make Diya pots. On Wednesday, we talked about our heritage and explored some of the different cultures and traditions that we have. The children also learnt about Guy Fawkes and the significance of Bonfire Night.

In Maths, the children explored number 4 through various games and practical activities.

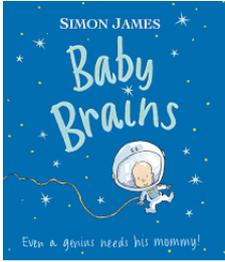

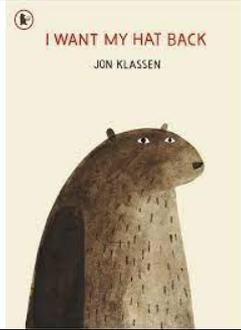

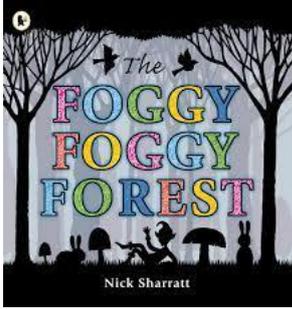

In Write Away, the children wrote words with this week's letters by sounding out and segmenting.

We are, now teaching daily phonics. At Ryelands, we follow the BookWings Phonics scheme where phonics is embedded through real books and the new sounds are introduced through story telling. This week the Phonics Fairy, introduced the children to the sounds: **b**, **h** and **f**.
