

# Oasis Academy Ryelands Reception Class Weekly

## Newsletter

05/12/2022 to 09/12/2022

### Notes and reminders:

- **Books** will be changed every Friday and we ask parents to write on children's Boomhub reading log during the week. This can be a comment the child made whilst reading the book or a comment from you about the child's experience.
- Friday 16<sup>th</sup> December- Last day of term & class parties! If you would like to contribute to the party food please provide nut free and pork free snacks.

### **9 Habits Star of the Week**

#### **Compassionate, Self-Controlled, Joyful, Forgiving, Patient, Humble, Honest, Considerate and Hopeful.**

This week's Star of the week in Robin Class is Leo for being Joyful. Leo has impressed everyone in Reception this week with how well he has settled in the mornings and how hard he has working during Learning Labs. Well done, Leo!

This week's Star of the Week in Wren Class is **Calder** for being Joyful. Calder has not stopped impressing us with his love for learning and his interest in all topics. Calder is trying his best in all learning activities and is a real role model to his peers. Well done, Calder!

### **Communication and Language, Personal, Social and Emotional Development and Physical Development, Literacy, Maths.**

What a fantastic week it has been in Reception. Every adult has been extremely proud of the children for their fantastic performances in the Nativity. With only a couple of weeks of practice the children put on an amazing show, and we would like to say a big well done to all of them! It was a fantastic turn out of parents, carers, grandparents and siblings, we hope you enjoyed it as much as we all did!

This week our in-class topic has been 'Winter!' learning about the coldest season of the four. The children looked at seasonal changes as well as places on earth where it is winter all year round. They enjoyed using their imagination to believe it was snowing. Together we built a snowman and imagined he went on fun adventures at night. The children had a go at writing about their snowman's adventures in Learning Labs. This week has been a consolidation week in both Phonics and Maths, recapping learning that has taken place this half term, ensuring learning is embedded before moving onto new topics.

We are, now teaching daily phonics. At Ryelands, we follow the BookWings Phonics scheme where phonics is embedded through real books and the new sounds are introduced through story telling. This week the Phonics Fair, wanted us to consolidate all previously learnt sounds! See seesaw for practice videos you can use at home.

High Flying Words:			<u>Previously taught words:</u>		These are words we can not sound out. We just have to learn them. Practice reading and writing these words. Can you find them in this weeks story book?
			the I no go be was	are you into to we me	

### **Home learning.**

Write about your week in Reception, it has been a busy one with the Nativity and the Church Carol Concert. Have a go at writing a full sentence, starting with a capital letter, finger spaces and ending with a full stop.

Remember at this stage in the year we write using the sounds we can hear, words do not need to be spelt correctly. So a sentence may look something like this - **I was a str.**
